Love and Death Among the Cheetahs Aug 09 2020 Georgie and Darcy are finally on their honeymoon in Kenya's Happy Valley, but murder crashes the party in this all-new installment in the New York Times bestselling series. I was so excited when Darcy announced out of the blue that we were flying to Kenya for our extended honeymoon. Now that we are here, I suspect he has actually been sent to fulfill another secret mission. I am trying very hard not to pick a fight about it, because after all, we are in paradise! Darcy finally confides that there have been robberies in London and Paris. It seems the thief was a member of the aristocracy and may have fled to Kenya. Since we are staying in the Happy Valley—the center of upper-class English life—we are well positioned to hunt for clues and ferret out possible suspects. Now that I am a sophisticated married woman, I am doing my best to sound like one. But crikey! These aristocrats are a thoroughly loathsome sort enjoying a completely decadent lifestyle filled with wild parties and rampant infidelity. And one of the leading lights in the community, Lord Cheriton, has the nerve to make a play for me. While I am on my honeymoon! Of course, I put an end to that right off. When he is found bloodied and lifeless along a lonely stretch of road, it appears he fell victim to a lion. But it seems that the Happy Valley community wants to close the case a bit too quickly. Darcy and I soon discover that there is much more than a simple robbery and an animal attack to contend with here in Kenya. Nearly everyone has a motive to want Lord Cheriton dead and some will go to great lengths to silence anyone who asks too many questions. The hunt is on! I just hope I can survive my honeymoon long enough to catch a killer. . . .

From the beloved author of *Tweet Cute* comes Emma Lord's *You Have a Match*, a hilarious and heartfelt novel of romance, sisterhood, and friendship... When Abby signs up for a DNA service, it's mainly to give her friend and secret love interest, Leo, a nudge. After all, she knows who she is already: Avid photographer. Injury-prone tree climber. Best friend to Leo and Connie...although ever since the B.E.I. (Big Embarrassing Incident) with Leo, things have been awkward on that front. But she didn't know she's a younger sister. When the DNA service reveals Abby has a secret sister, shimmery-haired Instagram star Savannah Tully, it's hard to believe they're from the same planet, never mind the same parents — especially considering Savannah, queen of green smoothies, is only a year and a half older than Abby herself. The logical course of action? Meet up at summer camp (obviously) and figure out why Abby's parents gave Savvy up for adoption. But there are complications: Savvy is a rigid rule-follower and total narc. Leo is the camp's co-chef, putting Abby's growing feelings for him on blast. [The Last Mrs. Summers](#) Feb 12 2021 Lady Georgiana Rannoch is just back from her honeymoon with dashing Darcy O'Mara when a friend in need pulls her into a twisted Gothic tale of betrayal, deception and, most definitely, murder. . . . I am a bit at loose ends at the moment. My cook, Queenie, is making my new role as mistress of Eynsleigh something akin to constant torture as Darcy is off on another one of his top secret jaunts. And Grandad is busy helping wayward youths avoid lives of crime. So when my dearest friend, Belinda, inherits an old cottage in Cornwall and begs me to go with her to inspect the property, I jump at the chance. After a heart-stopping journey in Belinda's beast of a motorcar, we arrive at the creaky old cottage called *White Sails* and quickly realize that it is completely uninhabitable. Just when I'm starting to wonder if I would have been better off trying to get Queenie to cook a roast that hasn't been burnt beyond all recognition, we meet Rose Summers, a woman Belinda knew as a child when she spent time in Cornwall. Rose invites us to stay at Trewoma Hall, the lovely estate now owned by her husband, Tony. Belinda confesses that she never liked Rose and had a fling with Tony years ago, so staying with them is far from ideal but beggars can't be choosers as they say. Trewoma is not the idyllic house Belinda remembers. There's something claustrophobic and foreboding about the place. Matters aren't helped by the oppressively efficient housekeeper Mrs. Mannerling or by the fact that Tony seems to want to rekindle whatever he and Belinda once had right under his wife's nose. Our increasingly awkward visit soon turns deadly when a member of the household is found murdered and all clues point to Belinda as the prime suspect. I soon learn that some long buried secrets have come back to haunt those in residence at Trewoma Hall and I'll need to sift through the ruins of their past so Belinda doesn't lose her chance at freedom in the present. . . .
