Lord of the Deep May 19 2021 Fishing. This is it, the big time. Mikey's 13, a deckhand working on a charter boat in Hawaii. Working for the best skipper anywhere, his stepdad, Bill. Before Bill came along, it was just Mikey and his mom. Now they're a real family, and Mikey has a little brother. He can't believe how lucky he is. And now he's learning from the best, even though he's only 13. Because Bill believes in him. And Mikey won't let him down. He loves fishing and being out on the boat. But some seas, some fish, and some charter clients are a lot tougher to handle than Mikey ever imagined. Take Ernie and Cal-they chartered

Bill's boat for three days and they're out for the adventure of their lives. Now it's up to Mikey and Bill to deliver it.

The Face of the Deep Jan 03 2020 This is a groundbreaking, highly original work of postmodern feminist theology from one of the

most important authors in the field. The Face of the Deep deconstructs the Christian doctrine of creation which claims that a transcendent Lord unilaterally created the universe out of nothing. Catherine Keller's impassioned, graceful meditation develops an alternative representation of the cosmic creative process, drawing upon Hebrew myths of creation, from chaos, and engaging with the political and the mystical, the literary and the scientific, the sexual and the racial. As a landmark work of immense significance for Jewish and Christian theology, gender studies, literature, philosophy and ecology, The Face of the Deep takes our ordinary story to a new horizon, rewriting the

starting point for Western spiritual discourse.

The Devil and the Deep Jan 15 2021 Stranded on a desert island, a young man yearns for objects from his past. A local from a small coastal town in England is found dead as the tide goes out. A Norwegian whaling ship is stranded in the Arctic, its crew threatened by mysterious forces. In the nineteenth century, a ship drifts in becalmed waters in the Indian Ocean, those on it haunted by their evil deeds. A surfer turned diver discovers there are things worse than drowning under the sea. Something from the sea is creating monsters on land. In *The Devil and the Deep*, award-winning editor Ellen Datlow shares an all-original anthology of horror that covers the depths of the deep blue sea, with brand new stories from New York Times bestsellers and award-winning authors such as Seanan McGuire, Christopher Golden, Stephen Graham Jones, and more.

Constellation of the Deep Oct 24 2021 A stylish picture book about an underwater quest for an elusive, bioluminescent plant perfect for young conservationists and fans of Wes Anderson's *The Life Aquatic with Steve Zissou*. Fox loves nature, and enjoys discovering strange and fascinating plants. He especially loves the seaside, and often walks the salty coastal trails with his cousin Wolf. One day, Seagull tells the two about an especially interesting underwater plant called the constellation of the deep. According to Seagull, it grows on the bottom of the ocean, but no one knows exactly where, and it glows in the dark. Before long, Fox has

donned his diving equipment, including a wet suit, a snorkel, a diving mask, fins and more, and sets off on an underwater quest to find this incredible plant. Along the way, Fox observes many different kinds of ocean life, like crabs, starfish, algae and an amazing array of corals. He also comes across some underwater friends who try to help guide him to the elusive plant. But Fox despairs when he loses his camera -- even if he finds the constellation of the deep, how will he capture this amazing discovery? With spreads of informational content interspersed throughout, *Constellation of the Deep* is a charming picture book featuring the same character from *The Golden Glow* that details the wonders of the underwater world and celebrates observing the beauty of nature.

The Water and the Wild (Sneak Preview)

Sep 10 2020 Want a sneak peek? Download this free sample of *The Water and the Wild* by Katie Elise Ormsbee. A green apple tree grows in the heart of Thirby Square, and tangled up in its magical roots is the story of Lottie Fiske. For as long as Lottie can remember, the only people who seem to care about her are her best friend, Eliot, and the mysterious letter writer who sends her birthday gifts. But now strange things are happening on the island Lottie calls home, and Eliot's getting sicker, with a disease

the doctors have given up trying to cure. Lottie is helpless, useless, powerless—until a door opens in the apple tree. Follow Lottie down through the roots to another world in pursuit of the impossible: a cure for the incurable, a use for the useless, and protection against the pain of loss.

The Deep See May 07 2020 Have you ever been with someone where you are both seeing the same event, yet you both come away with two completely different interpretations of what you just saw? In the book *THE DEEP SEE*, I talk about a picture that I often use in my classes to help students see how different their perspectives can be. In the picture, a cat is looking at a mirror in which it sees its reflection as a tiger. I ask the students to interpret what they are seeing, experiencing, and feeling as they look at the picture. Inevitably, the responses widely vary. What can cause people to see the same thing yet see it so differently? The answer is perspective. As the book describes, we all view things through our own filters, which have been defined over the course of our lifetimes. Our upbringing, culture, religion (or lack of one), political views, work experience, and even our mood at that moment shape what we see, how we feel, and what we interpret. The book demonstrates that listening to others perspectives is often very telling because we all tend to project our life views into the sights we see and the experiences we have. By analyzing our own answers to what we see, we will often gain clues to what is

abundant or missing in our own lives. So are you seeing what you think you are seeing? Yes, you are! Just remember you are not seeing things from an unfiltered perspective. And you are the one who gives meaning to what you see. THE DEEP SEE helps you inquire deeper into your real you and shows you how to better your outlook in life for positive growth.

Hazel Bly and the Deep Blue Sea Dec 02 2019 For fans of Erin Entrada Kelly and Ali Benjamin comes a poignant yet hopeful novel about a girl navigating grief, trauma, and friendship, from Ashley Herring Blake, the award-winning author of *Ivy Aberdeen's Letter to the World*. Hazel Bly used to live in the perfect house with the perfect family in sunny California. But when a kayaking trip goes horribly wrong, Mum is suddenly gone forever and Hazel is left with crippling anxiety and a jagged scar on her face. After Mum's death, Hazel, her other mother, Mama, and her little sister, Peach, needed a fresh start. So for the last two years, the Bly girls have lived all over the country, never settling anywhere for more than a few months. When the family arrives in Rose Harbor, Maine, there's a wildness to the small town that feels like magic. But when Mama runs into an old childhood friend—Claire—suddenly Hazel's tight-knit world is infiltrated. To make it worse, she has a daughter Hazel's age, Lemon, who can't stop rambling on and on about the Rose Maid, a local 150-year-old mermaid myth. Soon, Hazel finds herself just as obsessed with the Rose Maid as Lemon is—because what if magic

were real? What if grief really could change you so much, you weren't even yourself anymore? And what if instead you emerged from the darkness stronger than before?

Denizens of the Deep Feb 13 2021 A

Collection of Stories about Fish, Fishermen, and Favorite Fishing Spots with Action on Every Page The incomparable Philip Wylie is here writing about one of the things he likes best—fishing. Anyone who has ever wet a line, and perhaps those few benighted souls who haven't, will be thrilled to read these true tales about the big ones, hooked (and sometimes lost) in tropic waters. In *Denizens of the Deep*, which was originally published in 1947, there are wonderful chapters on marlin, the "admirable" barracuda, and the shark, whom Wylie calls "that misunderstood fish." The bursting pride when you catch that first big one is recaptured with fine nostalgia in the essay "What Makes a Great Day's Fishing?" and the tragedy of the clean getaway in "Listen to This Tale of Woe." Serious fishermen with an interest in the pastime's history will also find much valuable information in the chapter on the International Game Fish Association. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing,

bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

The Deep & Dark Blue Aug 02 2022 The Witch Boy meets The Legend of Korra in this breathtaking, epic graphic novel. After a terrible political coup usurps their noble house, Hawke and Grayson flee to stay alive and assume new identities, Hanna and Grayce. Desperation and chance lead them to the Communion of Blue, an order of magical women who spin the threads of reality to their will. As the twins learn more about the Communion, and themselves, they begin to hatch a plan to avenge their family and retake their royal home. While Hawke wants to return to his old life, Grayce struggles to keep the threads of her new life from unraveling, and realizes she wants to stay in the one place that will allow her to finally live as a girl. This title will be simultaneously available in paperback.

The Deep Mar 05 2020 "A strange plague called the 'Gets is decimating humanity on a global scale. It causes people to forget--small things at first, like where they left their keys,

then the not-so-small things like how to drive or the letters of the alphabet. Then their bodies forget how to function involuntarily. There is no cure. But far below the surface of the Pacific Ocean, a universal healer hailed as 'ambrosia' has been discovered. In order to study this phenomenon, a special research lab has been built eight miles under the sea's surface. When the station goes incommunicado, a brave few descend through the lightless fathoms in hopes of unraveling the mysteries lurking at those crushing depths...and perhaps to encounter an evil blacker than anything one could possibly imagine"--Page [4] of cover.

Between the Devil and the Deep Blue Sea Aug 29 2019 In the early 1970s, César Alvarez enlists in the navy to escape a life of crime; while the decision saves him from the streets, it also lands him amid volatile racial tensions at a crucial moment in US history. "Skillfully blending his fictional hero's coming-of-age story with a real-life racial confrontation aboard ship, Carter's tale is a winning combination of military procedural, suspense, and Black history." --Booklist, STARRED Review "André Lewis Carter weaves a riveting tale about a side of the US Navy we seldom see. Tone-perfect delivery and an inarguably authentic voice mark the debut of a powerful new talent." —David Poyer, author of *Violent Peace* "César

Alvarez doesn't know if he deserves a second chance, but he gets one anyway in *Between the Devil and the Deep Blue Sea*. From the streets of Orlando to the deck of a Vietnam-bound carrier, André Lewis Carter finds ambiguity in moments of conscience, self-preservation, loyalty, and betrayal. This is an outstanding read." —Barbara J. Taylor, author of *Sing in the Morning, Cry at Night* The Vietnam War is raging, the US Navy has only recently begun the process of integration, and the country is reeling from racial turmoil and unrest. So why does César, a street-tough kid of Afro-Cuban descent, enlist in the navy? He is on the run from a life of crime and from Mr. Mike, a charismatic, sociopathic gangster who was once a mentor but has now turned on him. Escaping into a navy wrestling with its history of racism and sexism, César soon sees the absurdity of certain prejudices that seem as old as the US Armed Forces. When he is deployed aboard the USS Kitty Hawk, racial tensions are high and are moving quickly toward violence. Through it all, César's ever-growing sense of honor and self-worth force him to make moral decisions he never knew he was capable of. It's a fortitude he will desperately need.

Emily Windsnap and the Monster from the Deep Jul 29 2019 "High-action adventure, a plucky protagonist, and whimsical illustrations enliven this sea fantasy, which will be most thoroughly appreciated by series followers." —Booklist Picture an island set in a glittering blue sea, sparkling with white sand and palm

trees, a secret place where humans and merfolk live together. To Emily Windsnap — half mermaid, half human — her new home is perfect. That is, until Emily ruins everything by waking a legendary sea monster known as the kraken from its hundred-year sleep. . . . An enchanting tale with a fabulous monster, engaging characters, and plenty of mermaid magic, this second fantasy about Emily Windsnap is filled with charm and warmth.

Tamsin and the Deep Feb 25 2022 Tamsin and her brother, Morgan, have always lived by the sea, but it's only when Tamsin wipes out on her surfboard and is dragged underwater by a sinister creature that they discover what dangers lurk beneath the waves.

The Deep Man Jul 09 2020 A relic of humanity's violent past, this old weapon stands ready for the Emperor to wield. The Galactic Imperium of the Myriad Worlds slumps into centuries of decadent peace enabled by a flood of advanced technology from the mysterious nonhuman "Shapers." Among the great Families, only the once-mighty clan of Sinclair-Maru remembers the maxims of the warrior Emperor, Yung I, ready to defend the Imperium from any threat. Stubbornly clinging to the Honor Code, Family prodigy Saef Sinclair-Maru finds himself in command of an outmoded, under-equipped frigate of the Imperial Fleet. With spies and assassins on every side, trusting only in his considerable skill and the bizarre competence of his companion, Inga, Saef must complete his mission, restore the greatness of

his Family, and uncover the chilling plot meant to extinguish humanity's light from the galaxy. At the publisher's request, this title is sold without DRM (Digital Rights Management). *The Deep* Nov 05 2022 Octavia E. Butler meets Marvel's Black Panther in *The Deep*, a story rich with Afrofuturism, folklore, and the power of memory, inspired by the Hugo Award-nominated song "The Deep" from Daveed Diggs's rap group Clipping. Yetu holds the memories for her people—water-dwelling descendants of pregnant African slave women thrown overboard by slave owners—who live idyllic lives in the deep. Their past, too traumatic to be remembered regularly is forgotten by everyone, save one—the historian. This demanding role has been bestowed on Yetu. Yetu remembers for everyone, and the memories, painful and wonderful, traumatic and terrible and miraculous, are destroying her. And so, she flees to the surface escaping the memories, the expectations, and the responsibilities—and discovers a world her people left behind long ago. Yetu will learn more than she ever expected about her own past—and about the future of her people. If they are all to survive, they'll need to reclaim the memories, reclaim their identity—and own who they really are. *The Deep* is "a tour de force reorientation of the storytelling gaze...a superb, multilayered work," (Publishers Weekly, starred review) and a vividly original and uniquely affecting story inspired by a song produced by the rap group Clipping.

A Fire Upon The Deep Oct 31 2019 Now with a new introduction for the Tor Essentials line, *A Fire Upon the Deep* is sure to bring a new generation of SF fans to Vinge's award-winning works. A Hugo Award-winning Novel! "Vinge is one of the best visionary writers of SF today."- David Brin Thousands of years in the future, humanity is no longer alone in a universe where a mind's potential is determined by its location in space, from superintelligent entities in the Transcend, to the limited minds of the Unthinking Depths, where only simple creatures, and technology, can function. Nobody knows what strange force partitioned space into these "regions of thought," but when the warring Straumli realm use an ancient Transcendent artifact as a weapon, they unwittingly unleash an awesome power that destroys thousands of worlds and enslaves all natural and artificial intelligence. Fleeing this galactic threat, Ravna crash lands on a strange world with a ship-hold full of cryogenically frozen children, the only survivors from a destroyed space-lab. They are taken captive by the Tines, an alien race with a harsh medieval culture, and used as pawns in a ruthless power struggle. Into the Deep Aug 10 2020 Containing 97 percent of Earth's water supply, the ocean plays a huge role in regulating global temperatures, supporting plant and animal life, and contributing to the livelihoods of millions of people. But in spite of all this, the ocean remains drastically unexplored, and the details of its impact on human lives aren't fully understood. Scientists from around the world are realizing that to address issues plaguing the ocean, such as dead zones, coral bleaching, and climate change, we need to better understand this incredible, unique feature of our planet. With a range of impressive, cutting-edge technologies at their disposal, oceanographers have set out to measure, sample, and analyze at every turn. Every day, mysteries about the ocean are being solved, and every day, new questions come to light. The more scientists learn, the better they are able to answer these new questions. What lies in the deep? And who is at the forefront of these exciting discoveries? The scientists and research included in this book shed light on the most pressing issues currently facing oceanographers and point us in the right direction to solving these challenges.

Darkness and the Deep Nov 12 2020 *KNOWING ONLY NAKED LUST AND FEAR, THEY LIVED BY THEIR DARK AND BRUTAL PASSIONS...* This critically acclaimed novel, which was first published in 1943, forms part of

author Vardis Fisher's Testament of Man, the moving and unforgettable chronicle of mankind's long journey from cave to civilization. WERE THEY MEN...OR ANIMALS? They lived in family groups, as men do. Yet the female was always taken by force, as animals do. They walked upright, as men do. Yet they fought with their teeth and nails, ripping at each other's flesh, as animals do. These strange and violent people belong to the bloodstained and bestial past of every one of us. These are the first men and women—more of a jungle animal than a human being...and ancestors to all of us. 'The most ambitious project of the imagination in present-day fiction'—The New York Herald Tribune 'One of the most brutal and disturbing novels ever written'—The Chicago Daily News 'It is moving art...worthy of a Dostoevsky.'—William K. Gregory, The New York Times 'An absorbing narrative...It has style, compression, clarity and a beauty of language...'—Thomas Sugrue, Saturday Review 'A rare find...you'll treasure it as a vision of pure delight.'—Arnold Gingrich, The Chicago Sun

In the Deep Blue Sea Apr 05 2020 New York Times–bestselling authors Bill Nye the Science Guy and Gregory Mone take middle-grade readers on a scientific adventure in Book 2 of the exciting new Jack and the Geniuses series. The series combines real-world science along with a mysterious adventure that will leave kids guessing until the end, making the books ideal for STEM education. In the second installment, *In the Deep Blue Sea*, Jack, his genius siblings Ava and Matt, and inventor Dr. Hank Witherspoon travel to the Hawaiian island home of Ashley Hawking, a technology billionaire. Hawking and engineer Rosa Morris have built a revolutionary electricity plant that harvests energy from the deep ocean, but someone has been sabotaging the project. In their search for the culprit, Jack and crew navigate an unusual world of characters and suspects, including Hawking and her obnoxiously intelligent son, Steven; a family of surfers who accuse the billionaire of trespassing on sacred land; an ex-Navy SEAL with a fondness for cat photos; and a cigar-chomping man who calls himself the Air-Conditioning King of Hawaii. Readers will learn about the mysteries of the deep ocean, the scientific process, and the potential of green

energy as Jack and his brilliant siblings use all their brainpower to survive. Integrating real science facts with humor and suspense and featuring a multiethnic cast of boy and girl characters, this engaging series is an irresistible combination for middle-grade readers. With easy-to-read language presented in a fun and accessible way, these books are great for both inquisitive kids and reluctant readers. In the *Deep Blue Sea: Jack and the Geniuses Book 2* includes information about the science discussed and used to solve the mystery, as well as a cool project that kids can do at home or in the classroom. Bill Nye's brand-new talk show series for Netflix, *Bill Nye Saves the World*, premieres on April 21, 2017. Emperors of the Deep Jun 07 2020 In this remarkable groundbreaking book, a documentarian and conservationist, determined to dispel misplaced fear and correct common misconceptions, explores in-depth the secret lives of sharks—magnificent creatures who play an integral part in maintaining the health of the world's oceans and ultimately the planet. From the *Jaws* blockbusters to Shark Week, we are conditioned to see sharks as terrifying cold-blooded underwater predators. But as Ocean

Guardian founder William McKeever reveals, sharks are evolutionary marvels essential to maintaining a balanced ecosystem. We can learn much from sharks, he argues, and our knowledge about them continues to grow. The first book to reveal in full the hidden lives of sharks, *Emperors of the Deep* examines four species—Mako, Tiger, Hammerhead, and Great White—as never before, and includes fascinating details such as: Sharks are 50-million years older than trees; Sharks have survived five extinction level events, including the one that killed off the dinosaurs; Sharks have electroreception, a sixth-sense that lets them pick up on electric fields generated by living things; Sharks can dive 4,000 feet below the surface; Sharks account for only 6 human fatalities per year, while humans kill 100 million sharks per year. McKeever goes back through time to probe the shark's pre-historic secrets and how it has become the world's most feared and most misunderstood predator, and takes us on a pulse-pounding tour around the world and deep under the water's surface, from the frigid waters of the Arctic Circle to the coral reefs of the tropical Central Pacific, to see sharks up close in their natural habitat. He also interviews ecologists, conservationists, and world-renowned shark experts, including the founders of Greenpeace's Rainbow Warrior, the head of the Massachusetts Shark Research Program, and the self-professed "last great shark hunter." At once a deep-dive into the misunderstood world of sharks and an urgent

call to protect them, Emperors of the Deep celebrates this wild species that hold the key to unlocking the mysteries of the ocean—if we can prevent their extinction from climate change and human hunters.

And the Deep Blue Sea Aug 22 2021 Edgar Award Finalist: A sailor stranded in the Pacific Ocean finds there are a million ways to die His life in pieces, Harry Goddard buys a thirty-two-foot sloop and sets out to sail the Pacific. For all his desperate efforts, he cannot save her, and Harry is forced into his life raft, to drift without food, water, or shelter from the sun. He is near death when the Leander rescues him. But by the time his trip is over, he'll wish he'd taken his chances in the open water. A tramp freighter sailing under the Panamanian flag, the Leander is en route to the Philippines when its crew spots Harry and takes him aboard. But as he regains his strength, Harry uncovers a murderous conspiracy that could destroy the ship that saved him.

Between the Devil and the Deep Blue Sea Jan 27 2022 A gothic thriller romance, set against a creepy summer backdrop. Nothing much exciting rolls through Violet White's sleepy, seaside town . . . until River comes along. River rents the guesthouse behind Violet's crumbling estate, and as eerie, grim things start to happen, Violet begins to wonder about the boy living in her backyard. Is River just a crooked-

smiling liar with pretty eyes and a mysterious past? Or could he be something more? Violet's grandmother always warned her about the Devil, but she never said he could be a dark-haired boy who takes naps in the sun, who likes coffee, who kisses you in a cemetery . . . who makes you want to kiss back. Violet's already so knee-deep in love, she can't see straight. And that's just how River likes it. With shades of Stephen King and F. Scott Fitzgerald, this is a must-read for fans of Beautiful Creatures, The Unbecoming of Mara Dyer, and Anna Dressed in Blood. "Looking for dark and eerie read...? Look no further than April Genevieve Tucholke's YA debut, *Between the Devil and the Deep Blue Sea*." —EntertainmentWeekly.com "Deliciously creepy." —TheAtlanticWire.com *"A stunning debut with complex characters, an atmospheric setting, and a distinct voice... Tucholke has real talent." —VOYA, starred review

Deep work is the ability to focus without distraction on a cognitively demanding task. It's a skill that allows you to quickly master complicated information and produce better results in less time. Deep Work will make you better at what you do and provide the sense of true fulfillment that comes from craftsmanship. In short, deep work is like a super power in our increasingly competitive twenty-first century economy. And yet, most people have lost the ability to go deep—spending their days instead in a frantic blur of e-mail and social media, not even realizing there's a better way. In *Deep Work*, author and professor Cal Newport flips the narrative on impact in a connected age. Instead of arguing distraction is

bad, he instead celebrates the power of its opposite. Dividing this book into two parts, he first makes the case that in almost any profession, cultivating a deep work ethic will produce massive benefits. He then presents a rigorous training regimen, presented as a series of four "rules," for transforming your mind and habits to support this skill. 1. Work Deeply 2. Embrace Boredom 3. Quit Social Media 4. Drain the Shallows A mix of cultural criticism and actionable advice, *Deep Work* takes the reader on a journey through memorable stories—from Carl Jung building a stone tower in the woods to focus his mind, to a social media pioneer buying a round-trip business class ticket to Tokyo to write a book free from distraction in the air—and no-nonsense advice, such as the claim that most serious professionals should quit social media and that you should practice being bored. *Deep Work* is an indispensable guide to anyone seeking focused success in a distracted world. Sky in the Deep Oct 04 2022 A 2018 Most Anticipated Young Adult book from debut author Adrienne Young, *Sky in the Deep* is part Wonder Woman, part Vikings—and all heart. OND ELDR. BREATHE FIRE. Raised to be a warrior, seventeen-year-old Eelyn fights alongside her Aska clansmen in an ancient, rivalry against the Riki clan. Her life is brutal

but simple: fight and survive. Until the day she sees the impossible on the battlefield—her brother, fighting with the enemy—the brother she watched die five years ago. Faced with her brother's betrayal, she must survive the winter in the mountains with the Riki, in a village where every neighbor is an enemy, every battle scar possibly one she delivered. But when the Riki village is raided by a ruthless clan thought to be a legend, Eelyn is even more desperate to get back to her beloved family. She is given no choice but to trust Fiske, her brother's friend, who sees her as a threat. They must do the impossible: unite the clans to fight together, or risk being slaughtered one by one. Driven by a love for her clan and her growing love for Fiske, Eelyn must confront her own definition of loyalty and family while daring to put her faith in the people she's spent her life hating. *Between the Devil and the Deep* Mar 29 2022 'One of the best accounts ever written of deep-water diving and its staggering, haunting dangers' Robert Kurson, New York Times bestselling author of *Shadow Divers* *Deep* underwater lurks a mysterious man-made illness. It has gone by many names over the years - Satan's disease, diver's palsy, the chokes - but today, medics call it decompression sickness. You know it as the bends. That's the devil British diver Martin Robson faces each time he plunges beneath the surface. In the winter of 2012, Robson was part of an expedition to Blue Lake, southern Russia, which sought to find a submerged cave system

never seen by the human eye. On the final day of the expedition, as Robson returned from diving deeper into the lake than anyone had before, disaster struck: just seventy-five feet down, he was ambushed by the bends. Robson knew that if he continued up to the surface he would probably die before help arrived. Instead, he sank back into the water, gambling on an underwater practice most doctors believe is a suicidal act. Soon the only hope he had of saving his life would rest in the hands of a dramatic mercy mission organised at the highest levels of the Russian government. *Between the Devil and the Deep* is the first book to tell the terrifying true story of what it feels like to get the bends, taking you inside the body and mind of a man who suffered the unthinkable. Writer Mark Cowan also explores the grimly fascinating history of decompression sickness, the science behind what causes the disease, and the stories of the forgotten divers who pushed the limits of physical endurance to help find a solution.

The Deep Apr 29 2022 There's so much we don't know about what lies deep beneath the ocean's surface - and the time to find out is growing increasingly precious . . . Professor Alex Rogers is one of the world's leading experts in marine biology and oceanology, and has spent his life studying the deep ocean - and in particular the impact of human activity on the ecosystems of the oceans. In this timely, galvanising and fascinating book - replete with stunning photography of strange and beautiful

creatures - Professor Rogers offers a fundamentally optimistic view of humanity's relationship with the oceans - and also a very personal account of his own interaction with the seas.

Songs from the Deep Nov 24 2021 A girl searches for a killer on an island where deadly sirens lurk just beneath the waves in this "twisty, atmospheric story that grips readers like a siren song" (Publishers Weekly, starred review). The sea holds many secrets. Moira Alexander has always been fascinated by the deadly sirens who lurk along the shores of her island town. Even though their haunting songs can lure anyone to a swift and watery grave, she gets as close to them as she can, playing her violin on the edge of the enchanted sea. When a young boy is found dead on the beach, the islanders assume that he's one of the sirens' victims. Moira isn't so sure. Certain that someone has framed the boy's death as a siren attack, Moira convinces her childhood friend, the lighthouse keeper Jude Osric, to help her find the real killer, rekindling their friendship

in the process. With townspeople itching to hunt the sirens down, and their own secrets threatening to unravel their fragile new alliance, Moira and Jude must race against time to stop the killer before it's too late—for humans and sirens alike.

The Doorway and the Deep Sep 03 2022 Travel back to the enchanting and treacherous land of Limn, where Lottie Fiske has escaped the murderous Southerly king for a while—but other perils are hard on her heels. War is coming to the beautiful world of magic that Lottie has come to love. Events are pushing her to the North, where many answers—about her parents, about her abilities, about this world and others—await. But the road to the north is full of dangers, and so are the answers. Likened to the works of E. Nesbit, Frances Hodgson Burnett, and C. S. Lewis, K. E. Ormsbee's vividly imagined world will appeal to readers who have been down the rabbit hole or through the wardrobe, and to anyone who has ever been braver than they thought they were.
