Romance Jun 06 2020 Always You Layla and Max grew up together, telling secrets, playing games, and sharing everything. As adults, however, they have drifted apart, and when Max shows up at Layla's house in the middle of the night, it has been more than a year since she has seen him. His eyes seem to say that he is the same best friend who she camped out with in the backyard with and experimented with for her first kiss. His body, however, seems to suggest differently. Layla is conflicted as to whether she should go on the offered road trip he has suggested. Max always saw Layla as the girl next door. She was his first crush and his first kiss, but it ended there. No matter what, though, she has always been the first person he thinks of when he is upset, and when his girlfriend breaks his heart, he heads straight for Layla. In just one year she has changed into a stunning woman who

stirs desires in him that Max struggles to hide. Hoping a road trip, like when they were young, will reconnect their friendship and get him over his girlfriend, he convinces Layla to go along with him. Once they get out on the road, however, his attention turns away from childhood games and into much more adult pursuits. Can sex between best friends turn their connection into lasting passion, or will they lose their friendship and each other forever? Note: This is an erotic romance book. It contains graphic language, strong emotion, and passionate love scenes.

Freed Jun 26 2019 What if there really is no such thing as happily ever after? Til death do us part. My wedding day to Vincent Jamison feels like exactly that—a death sentence. An imprisonment in a gilded cage, from which there's no escape. No salvation. Only a lifetime of pain. Of knowing what I've lost. Everything. But when the threat to his family and business upends our wedding celebrations, I'm given a chance I'd never thought I'd have again. A month in a safe house with the man who was once the love of my life, with no one else but my bodyguard and Sonya, who's in no condition to do anything about what Zach and I both want. A second chance. It's supposed to be a reprieve. One last glimmer of happiness before I go back to the hell that I consigned myself to. Something to hold onto when things get truly dark. After all, Vincent is my only future. Or is he? There's secrets I still don't know. A twist of fate that I hadn't seen coming. And when the dust settles, a chance that I'm afraid to believe in. A chance that I could be freed. The Claimed series

Before That Night Jul 08 2020 -- A USA TODAY Bestseller -- Before that night, Addison Milan had been just a college dropout secretly raising her two young siblings in a beat-up minivan she'd bought with her first semester's tuition refund--the only money her addict mother hadn't taken off with when she'd abandoned them nearly two years ago. Before that night, Caine Spencer had been just a rough, gruff cop sent to check out the phoned-in claims of suspected child neglect involving the same woman he'd met just months prior when she'd first served him the city's worst diner coffee...which he'd been drinking daily ever since. Before that night, Addison would never have thought the man she'd been fighting hard not to fall for--her only friend in her new shadow of a life--would be in a position to rip her family apart. Before that night, Caine would never have believed any woman could make him fall head over heels, let alone make him feel so damn compelled to look the other way when it came to his job. Then that one perfect night changed everything. "Hot, sweet, and filled with tender moments, Violet Duke writes heroes who make me swoon!" -- New York Times bestselling author Kendall Ryan *BEFORE THAT NIGHT* (Bk 1 of 2) chronicles the events that take place seven years prior to *EVERY NIGHT WITHOUT YOU* (Bk 2 of 2), which is the conclusion of Caine & Addison's story of love, sacrifice, and the lengths one will run--and chase--when their past threatens their future. NOTE: Each of the four couples in the Unfinished Love series have TWO books (duets) that take place years apart. Each duet is a two-part second chance romance, meaning each couple is separated after their first

book and reunited in the second book of their duet. As noted in the title, this is Book ONE of TWO; the second book in this duet reunites this couple seven years later, and concludes their story. The UNFINISHED LOVE Series Four brothers. Each fighting for their second first chance at love. Years be damned. The Spanish Love Deception May 30 2022 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. **The Spanish Love Deception** is an enemies-to-lovers, fake-dating.
