Hodaka Motorcycles Aug 29 2019 Hodaka motorcycles were some of the most creatively marketed and designed motorcycles in America. The bike of choice for the hip young racer, the street-savvy urbanite, or the 14-year-old boy's favorite poster, these machines had colorful logos, creative advertising and terrific names. The Combat Wombat, Road Toad, Dirt Squirt and the fantastic Super Rat are just a few of the models produced by Hodaka. More than 15 years in the making, this exhaustively-researched tome contains all the details about the machines as well as a treasure trove of photographs, advertisements, and graphics. Written by Ken Smith, the editor of VMX Magazine, and created with the help of Paul Stannard of Strictly Hodaka and many of the people who designed and sold Hodakas back in the day, this book is a captivating, colorful look at one of the wildest, most popular motorcycles of the 1960s and 1970s.

Violence in Colombia May 31 2022 Colombia, one of South America's oldest, middle-income democracies, has developed rapidly despite a fifty year "simmering" civil war and increasing levels of urban and rural crime and violence. In the past decade, however, the scale and intensity of violence has changed from a marginal conflict to generalized violence that now dominates the daily lives of most citizens. As remote guerrilla activity has turned into country-wide "war," bringing in paramilitary groups, drug cartels, and other social actors, so too the causes of violence have changed. These have included both external events such as the collapse of the Cold War, as well as internal changes relating to economic liberalization, coal and oil developments and the impact of the global trade in illicit narcotics. Violence in Colombia is highly complex not only because of the different categories, but also due to its multiple causes. This paper combines disparate existing theories to develop an integrated framework that identifies four different levels of causality: structural, institutional, interpersonal, and individual. It recognizes the mutually reinforcing role played by factors at different levels of causality. Underlying the causes of violence in Colombia is minimal state presence in many parts of the country, widespread corruption and impunity, high levels of societal acceptance of violence, and a regionally fragmented country.

[Casey Stoner](#) Jun 19 2021 Per la prima volta Casey Stoner si racconta in questa autobiografia scritta con la collaborazione di Matt Roberts, giornalista e cronista della BBC. L'esplosiva storia dell'australiano due volte Campione del Mondo MotoGP, nel 2007 in sella a una Ducati, dimostra come tutto è possibile quando la determinazione incontra il talento. Stoner si mette a "nudo" e ci racconta le tappe principali della sua vita: proveniente da una famiglia appassionata di motociclismo, fa la prima gara a soli 4 anni e dopo il trasferimento in Europa si pone un solo obiettivo: diventare campione del mondo. Il padre, dal carattere duro, lo obbligava alla totale dedizione allo sport per trasformarlo in un vincitore. Oggi Stoner ammette: "Fu un bombardamento psicologico per nulla sano." Stoner non ha paura di esprimere le proprie opinioni anche sul mondo del motociclismo, in alcuni casi rivelando anche verità scomode: la gerarchia dei piloti, la politica delle corse, i colleghi e l'incapacità di gestire la perdita della privacy dopo la vittoria del mondiale in moto gp. Tutte le ragioni che lo hanno portato alla decisione di abbandonare la carriera perché deluso dall'ambiente falso e ipocrita che circonda questo sport, voltando così le spalle, a soli 27 anni ad un contratto multimilionario. Un racconto unico e straordinario fatto di sacrificio e tenacia per raggiungere un impensabile successo, la storia

ispiratrice di un giovane australiano che ha affrontato il mondo a modo suo e ha vinto. "La gente si aspetta che mi sia solo preso un anno sabbatico, ma niente è più lontano dalla verità. Le cose stanno tornando alla normalità, anche se lentamente. Non si tratta di essere ingrato, ma il denaro non conta nulla per me. Non ho mai corso per soldi, sempre per passione. Quando questa è venuta a mancare, per me era finita. "
