Eventually, you will unconditionally discover a further experience and execution by spending more cash. nevertheless when? complete you receive that you require to acquire those every needs gone having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will guide you to comprehend even more not far off from the globe, experience, some places, later history, amusement, and a lot more?

It is your agreed own time to accomplish reviewing habit. accompanied by guides you could enjoy now is **Epicene Or The Silent Woman By Ben Jonson The Revels Plays** below.

Women in the Earliest Churches Nov 11 2020
This book examines the roles and functions that women assumed in the early Christian communities from AD 33 to the Council of Nicaea. It surveys, too, the views about women held by various New Testament authors including Paul and the Evangelists.

The New Southern Gentleman Aug 21 2021
"Daniel Randolph Deal is a Southern aristocrat,

having the required bloodline, but little of the nobility. A man resistant to the folly of ethics, he prefers a selective, self-indulgent morality. He is a confessed hedonist, albeit responsibly so."--Back cover.

Grandma Gatewood's Walk Apr 28 2022
Winner of the 2014 National Outdoor Book Awards for History/Biography Emma Gatewood told her family she was going on a walk and left her small Ohio hometown with a change of

clothes and less than two hundred dollars. The next anybody heard from her, this genteel, farm-reared, 67-year-old great-grandmother had walked 800 miles along the 2,050-mile Appalachian Trail. And in September 1955, having survived a rattlesnake strike, two hurricanes, and a run-in with gangsters from Harlem, she stood atop Maine's Mount Katahdin. There she sang the first verse of "America, the Beautiful" and proclaimed, "I said

I'll do it, and I've done it." Grandma Gatewood, as the reporters called her, became the first woman to hike the entire Appalachian Trail alone, as well as the first person—man or woman—to walk it twice and three times. Gatewood became a hiking celebrity and appeared on TV and in the pages of *Sports Illustrated*. The public attention she brought to the little-known footpath was unprecedented. Her vocal criticism of the lousy, difficult stretches led to bolstered maintenance, and very likely saved the trail from extinction. Author Ben Montgomery was given unprecedented access to Gatewood's own diaries, trail journals, and correspondence, and interviewed surviving family members and those she met along her hike, all to answer the question so many asked: Why did she do it? The story of Grandma Gatewood will inspire readers of all ages by illustrating the full power of human spirit and determination. Even those who know of Gatewood don't know the full story—a story of triumph from pain, rebellion from brutality, hope from suffering.

Women's Employment and the Capitalist

Family Mar 28 2022 First published in 2002. Routledge is an imprint of Taylor & Francis, an informa company.

Notable American Women Jun 30 2022 Ben Marcus achieved cult status and gained the admiration of his peers with his first book, *The Age of Wire and String*. With *Notable American Women* he goes well beyond that first achievement to create something radically

wonderful, a novel set in a world so fully imagined that it creates its own reality. On a farm in Ohio, American women led by Jane Dark practice all means of behavior modification in an attempt to attain complete stillness and silence. Witnessing (and subjected to) their cultish actions is one Ben Marcus, whose father, Michael Marcus, may be buried in the back yard, and whose mother, Jane Marcus, enthusiastically condones the use of her son for (generally unsuccessful) breeding purposes, among other things. Inventing his own uses for language, the author Ben Marcus has written a harrowing, hilarious, strangely moving, altogether engrossing work of fiction that will be read and argued over for years to come.

Gender in the Book of Ben Sira May 06 2020 *Gender in the Book of Ben Sira* is a semantic analysis and, also, an investigation of hermeneutical pathways for performing such an analysis. A comparison of possible Greek and Hebrew gender taxonomies precedes the extensive delineation of the target-category, gender. The delineation includes invisible influences in the *Book of Ben Sira* such as the author's choices of genre and his situation as a member of a colonized group within a Hellenistic empire. When the *Book of Ben Sira's* genre-constrained invectives against women and male fools are excluded, the remaining expectations for women and for men are mostly equivalent, in terms of a pious life lived according to Torah. However, Ben Sira says

nothing about distinctions at the level of how "living according to Torah" would differ for the two groups. His book presents an Edenic ideal of marriage through allusions to Genesis 1 to 4, and a substantial overlap of erotic discourse for the female figures of Wisdom and the "intelligent wife" creates tropes similar to those of the *Song of Songs*. In addition, Ben Sira's colonial status affects what he says and how he says it; by writing in Hebrew, he could craft the Greek genres of encomium and invective to carry multiple levels of meaning that subvert Hellenistic/Greek claims to cultural superiority.

Epicoene Aug 09 2020 Ben Jonson (1572?1637), actor, playwright, satirist, and lyric poet, studied under William Camden at Westminster, worked as a bricklayer, served in the army, and was imprisoned twice--once for sedition and once for murder. *Epicoene: or, The Silent Woman* (1609) is considered one of his greatest comedies, upon which, along with *Volpone* (1607), *The Alchemist* (1610), and *Bartholomew Fair* (1614), his reputation rests. At his death, he was regarded as the leading man of letters in England, and was a major influence on the Cavalier poets, including Robert Herrick, Sir John Suckling, Thomas Carew, and Richard Lovelace. Lester A. Beaurline was professor of English at the University of Virginia. He was an editor of *Studies in Bibliography*, the works of John Suckling, and (with Fredson Bowers) the plays of Ben Jonson.

The Strange Woman Oct 03 2022

Women in Scripture Jun 06 2020 “This splendid reference describes every woman in Jewish and Christian scripture . . . monumental” (Library Journal). In recent decades, many biblical scholars have studied the holy text with a new focus on gender. *Women in Scripture* is a groundbreaking work that provides Jews, Christians, or anyone fascinated by a body of literature that has exerted a singular influence on Western civilization a thorough look at every woman and group of women mentioned in the Bible, whether named or unnamed, well known or heretofore not known at all. They are remarkably varied—from prophets to prostitutes, military heroines to musicians, deacons to dancers, widows to wet nurses, rulers to slaves. There are familiar faces, such as Eve, Judith, and Mary, seen anew with the full benefit of the most up-to-date results of biblical scholarship. But the most innovative aspect of this book is the section devoted to the many females who in the scriptures do not even have names. Combining rigorous research with engaging prose, these articles on women in the Hebrew Bible, the Apocryphal/Deuterocanonical Books, and the New Testament will inform, delight, and challenge readers interested in the Bible, scholars and laypeople alike. Together, these collected histories create a volume that takes the study of women in the Bible to a new level.

[Epicene, Or the Silent Woman](#) Sep 29 2019 The play takes place in London, primarily in the

home of Morose. Morose is a wealthy old man with an obsessive hatred of noise, going as far as to live on a street too narrow for carts to pass and make noise. He has made plans to disinherit his nephew Dauphine by marrying. This is due to the schemes and tricks Dauphine has played on him in the past. To combat this, Dauphine concocts a plan with Cutbeard, Morose's barber. Cutbeard presents Morose with a young (and supposedly) silent woman to marry. When Morose met Epicene, he tries to find out if she's really a silent woman, testing her obedience. He tells her not to succumb to the temptations of the court and tells her about the virtues of silence. Under the assumption that his fiancé, Epicoene, is an exceptionally quiet woman, Morose excitedly plans their marriage. Unbeknownst to him, Dauphine has arranged the whole match for purposes of his own. At the same time there is an alliance of women with intellectual pretensions called the Ladies Collegiates. They are married women that live away from their husbands and talk their minds. They talk about how women can use sex to control their husbands. Truewit, hoping to secure his friend's inheritance, attempts to persuade Morose that marriage would not be good for him. Truewit says that no matter what, Morose will find himself unhappy in marriage, regardless of if she is pretty, ugly, rich, poor, or even if Morose loves her.[1] Truewit tells Morose that it's not the women's fault, all of them are corrupted. He also tells Morose to kill himself instead of getting

married. The couple are married despite the well-meaning interference of Dauphine's friend Truewit. Morose soon regrets his wedding day, as his house is invaded by a charivari consisting of Dauphine, Truewit, and Clerimont; a bear warden named Otter and his wife; two stupid knights (La Foole and Daw); and an assortment of Collegiates. The house is overrun with noise and clamor, much to Morose's chagrin. Worst for Morose, Epicoene quickly reveals herself to be a loud, nagging mate.

[The Red Woman](#) Jul 08 2020 The Red Woman will reward Women for their existence. It will rejuvenate her confidence and reimburse her for the life and unselfish love that she has given. She is deserving of so much more and these Pleasure Principles are the more, which will speak into her spirit and penetrate her heart while pleasing all of her principles. She is Woman and is worth more than less and considered valuable because she is priceless. These Pleasure Principles will penetrate the hearts of our Women and allow them to give birth to The Red Woman that dwells inside of her.

[The Art of Being Dangerous](#) Dec 13 2020 The idea that women are dangerous - individually or collectively - runs throughout history and across cultures. Behind this label lies a significant set of questions about the dynamics, conflicts, identities and power relations with which women live today. The Art of Being Dangerous offers many different images of women, some humorous, some challenging,

some well-known, some forgotten, but all unique. In a dazzling variety of creative forms, artists and writers of diverse identities explore what it means to be a dangerous woman. With almost 100 evocative images, this collection showcases an array of contemporary art that highlights the staggering breadth of talent among today's female artists. It offers an unparalleled gallery of feminist creativity, ranging from emerging visual artists from the UK to multi-award-winning writers and translators from the Global South.

Every Woman's Nightmare Mar 04 2020 An old cliché states "let your past stay in the past," Is that possible when it comes to the one you love? For this saying holds true for Layla. Layla marries her old flame Elliott Pennington and realizes she walked right into a nightmare. Layla's life becomes a world of betrayal, broken promises, and mental torment afflicted by Elliott and his manipulative family. Then an unfortunate twist happens and now she is left with the remnants of a loveless marriage and the unexpected death of her husband. She struggles with anger, guilt, forgiveness, trust, and love, and tries to find her way back from a world of darkness back into a world of light. Will she ever be complete again? Were her trials a reflection, or a ramification of her own actions? Will she allow the past to plague her heart or will she find restoration and a bountiful life in front of her.

Women in the Ministry of Jesus Oct 23 2021 This is a study of Jesus' attitudes towards women as reflected in his words and deeds, and of the women who were part of his ministry. *Darla...One Woman, Two Men, One Obsession* Oct 11 2020

The Young Woman's Journal Sep 21 2021 **Surviving Ben's Suicide** Dec 01 2019 "Almost fifteen years ago, hikers found my college boyfriend's body on the edge of the Atlantic Ocean. He might have been lying there for three days. He had driven himself from Washington DC to Lubec, Maine, which was the easternmost point of land on the North

American continent. On the second day of July 1993, he walked along trails that followed rock cliffs, rising eighty feet above the ocean, and shot himself in the head. It was the end of Ben's journey and the crossroads in mine"--Page 4 of cover.

Poor Richard's Women Feb 12 2021 "An engrossing look at the human side of Benjamin Franklin . . . Using a post-feminist lens that's critical of gender essentialism, Stuart rescues these women from obscurity . . . This is a terrific read: poignant, provocative, and probing." —Library Journal, Starred Review A vivid portrait of the women who loved, nurtured, and defended America's famous scientist and founding father. Everyone knows Benjamin Franklin—the thrifty inventor-statesman of the Revolutionary era—but not about his love life. *Poor Richard's Women* reveals the long-neglected voices of the women Ben loved and lost during his lifelong struggle between passion and prudence. The most prominent among them was Deborah Read Franklin, his common-law wife and partner for 44 years. Long dismissed by historians, she was an independent, politically savvy woman and devoted wife who raised their children, managed his finances, and fought off angry mobs at gunpoint while he traipsed about England. Weaving detailed historical research with emotional intensity and personal testimony, Nancy Rubin Stuart traces Deborah's life and those of Ben's other romantic attachments through their personal

correspondence. We are introduced to Margaret Stevenson, the widowed landlady who managed Ben's life in London; Catherine Ray, the 23-year-old New Englander with whom he traveled overnight and later exchanged passionate letters; Madame Brillon, the beautiful French musician who flirted shamelessly with him, and the witty Madame Helvetius, who befriended the philosophes of pre-Revolutionary France and brought Ben to his knees. What emerges from Stuart's pen is a colorful and poignant portrait of women in the age of revolution. Set two centuries before the rise of feminism, Poor Richard's Women depicts the feisty, often-forgotten women dear to Ben's heart who, despite obstacles, achieved an independence rarely enjoyed by their peers in that era.

I Am a Women on a Mission Aug 28 2019

The purpose of this book is to uplift, encourage, and motivate women all over the world so that they may know Jesus, live for him, and encourage someone else.

Power of a Woman Jul 20 2021 Description: The feminine spirit soars in Power of a Woman as Eleanor of Aquitaine, toughest of medieval women, relates her memoirs: of caring and loyalties, triumphs and trials; of her marriages to two warring kings, Louis VII of France, then

Henry II of England. She speaks intimately, emotionally of her too many quarreling sons, including Richard the Lionheart and John, of Magna Carta fame. A patron of troubadours, Eleanor commissions poetry as propaganda. She regales her readers with intrigues, crusades and tales of ruthless diplomacy against barons, kings, popes and Thomas Becket, while confessing her loves, her hopes for her many children, and their fates. In midlife her sense of community leads her to set up her Court of Ladies to balance male-dominated worlds of Church and state. Her mission: to empower women with the Grace she enjoyed as the femme fatale of her day. Eleanor's power of a woman lets her pluck triumph from her defeats as well as her victories. Reviews: Those of you who know me know that for me to give a work of historical fiction a high rating, it has to offer something extraordinary. This Robert Fripp has done in Power of a Woman. In this highly unusual fictional autobiography, Mr. Fripp tells Eleanor of Aquitaine's story in her own words, as if she is dictating to a young lady in her household. Power of a Woman: review by Melissa Snell, Your Guide to Medieval History at About.com, which posts her full review at: http://historymedren.about.com/od/ewho/fr/fripp_eleanor.htm -Melissa Snell, Your Guide to Medieval History at About.com Finally! Power of a Woman brings us an autobiography of Eleanor of Aquitaine that is accessible and entertaining. Telling her story in Eleanor's

voice, Robert Fripp brings us medieval Europe through her eyes. At eighty-one, she hasn't much time. We feel her urgency, the chill in her bones. Impeccable research and storytelling combine to make this a must for all who want to know more about this fascinating woman. Her definition of love survives to this day! What a great read. This is so gripping. I got so totally caught up in this story one night that I woke up with images of Eleanor in my mind, and Kate Hepburn's voice in my ear. I love this tale. - Veronica Prior, Round Rock, TX Power of a Woman is gripping in its wealth of detail. It makes me feel like I am in the midst of the action. Of all books I have read, this is the only one that makes me experience what it must have felt like to have lived through those troublesome, exciting times. Such a wonderful, exciting book! -Lady Shirley Cassidy, Dublin, Ireland Author Bio: British-born Robert Fripp gained a medieval outlook from five years on a choral scholarship in the choir of Salisbury Cathedral, the model for Lord of the Flies. He went on to study earth sciences before producing current affairs television for CBC in Toronto. He also: created IBM Visions magazine about high-performance computing; worked for Japan's public broadcaster; and wrote a book with great reviews, Let There Be Life, about cosmic and organic origins. Power of a Woman tells the memoirs of Eleanor of Aquitaine. Robert Fripp is hard to typecast; RobertFripp.ca may help.

Epicoene; Or, The Silent Woman Nov 04

2022

Lessons Mama Never Taught Me Jan 02 2020

Ten women tell their personal stories about the lessons their mothers failed to teach them about dating, racism, body image, money, morals, drugs, sex and other social ills that are relevant for our young girls, women and young men. It is crucial that fathers discuss these same important lessons with their sons as well. Women in High Gear Jul 28 2019 Is high gear attainable for today's women and the next generation? Yes! Women in High Gear is a first-of-its-kind look at how women in business, on-rampers, and aspiring executives can discern and discover a path to high gear. Whether that looks like financial independence, starting a business, ascending to the C-suite, securing a board seat, or making superconnections, high gear is clearly within reach. Entrepreneurs and small business owners Anne Deeter Gallaher and Amy D. Howell join forces in Women in High Gear to tell their stories of two divergent paths to reach the same goal. In 13 easy-to-read and easy-to-relate-to chapters, Amy and Anne lay out their own journeys to high gear and show how others can connect the dots for growth and success. They combine big business principles with small business DNA in hopes that their experiences will shorten the business learning curve of women. Living the realities of staying at home and staying on the fast track, Anne and Amy help women of all ages understand the necessities for emotional resilience, harnessing the softs skills, exhibiting

leadership, mastering self-discipline, understanding the bottom line, connecting on social media, and building a personal brand. Wherever you stand in your business journey, Anne and Amy challenge you to charge ahead with confidence and fresh perspectives. The world needs what you have to offer-high gear awaits! Acclaim for Women in High Gear: "Anne Deeter Gallaher and Amy D. Howell are keenly attuned to the need for mentoring, guidance, and inspiration to help prepare current and future generations of women for leadership in business and society. In Women in High Gear, Anne and Amy have artfully woven their own high gear journeys to both mark a path for growth and to steer readers clear of roadblocks. They blend advice, personal experience, insight, and accountability in hopes of shortening the learning curves of other women." Kim S. Phipps, Ph.D. President, Messiah College "In a business world steeped in too much self-help blather, Amy and Anne stand up for accountability, distinctiveness, mental toughness, responsibility, hard work, compassion, and appropriate compromise-the values that forge great leaders. This book is inspiring, true, and even better-entertaining!" Mark. W. Schaefer College Educator, Entrepreneur, International Speaker, and Author of Return on Influence and The Tao of Twitter "Women in High Gear is proof of the power of storytelling-at which Anne Deeter Gallaher and Amy D. Howell excel. They turn their hard-won personal and professional

experiences into illuminating and engaging examples for others to follow. Early and mid-career professionals will find High Gear immediately useful, but even seasoned executives (like me) will see in Amy and Anne's experiences new approaches to today's challenges." Kathleen A. Pavelko President/CEO, WITF, Harrisburg, PA "This book is for anyone wanting to soar to higher goals in business." Philip H. Trenary CEO, Phil Trenary Associates; Former CEO, Pinnacle Airlines Corporation "After reading Women in High Gear, I immediately wrote out my high gear goals for the next five years. This book is for any woman with a big dream for her life!" Rachael Dymski Author "Wonder duo Anne and Amy provide valuable insight into how independent, driven women can dominate the professional business landscape." Susan R. Ewing Director of Social & Digital Media, Hershey Harrisburg Regional Visitors Bureau "Women in High Gear is the modern guide to overcoming obstacles and achieving success without breaking a sweat-and doing it all in 4-inch heels. Anne and Amy have hit a homerun!" Kaitlin Sawyer Public Relations/Marketing Professional, Hawaii *Becoming Super Woman* Apr 16 2021 Do you feel daily pressure to keep pushing yourself even when you're stressed and exhausted? It's time to leave Superwoman in the movies, where she belongs, and say hello to being a Super Woman—the best, most productive and balanced version of the hero you already are.

For years—maybe your entire life—you've been told that success means having it all and doing it all. But working more and harder is holding you back, not moving you forward. In *Becoming Super Woman*, New York Times bestselling author Nicole Lapin redefines what it means to be a woman who "has it all"—and shows you how to find lasting success by your own definition, on your own terms. Nicole candidly shares her own story of career burnout and an emergency hospitalization that prompted her to take her mental health seriously for the first time ever. Along the way, she discovered that not only was this priority shift not a defeat, it was the key to unlocking even greater achievements. In her third and most personal book yet, Nicole lays out an actionable, 12-step plan to guide you in taking control and becoming the hero of your own story, with the skills it takes to be a real Super Woman—skills we should (but often don't) learn growing up, from productivity hacks to boundary setting. She makes the case that the real secret to success doesn't hinge on the hustle or degrees you have but in "putting on your own oxygen mask before helping others." In fact, self-care is the biggest asset or liability in our careers—when it's on-point it can help us soar, and when it's neglected it can bring us down faster than anything else. Entertaining, honest, and life-changing, *Becoming Super Woman* shows you how to banish burnout, ward off a breakdown, and achieve true balance ... finally. No Regrets Sep 09 2020 The story of the

legendary Ben Reitman, told by a daughter who dared explore her family's hidden past, searching in letters and family records for the secrets of her long-dead father, and the women (most famously, of course, Emma Goldman) who loved him.

Epicoene May 18 2021

Ben Sira's View of Women Sep 02 2022

Things I've Learned from Women Who've Dumped Me Jan 26 2022 The Emmy award-winning former executive producer of *The Daily Show* and *The Colbert Report* has assembled a stellar lineup of men who have one thing in common: all have been dumped...and are willing to share their pain and the lessons learned. Relationships end. And in almost all of them, even the most callow among us take something away. This is a book about that something, whether it be major life lessons, like "If you lie, you will get caught," simple truths like, "Flowers work," or something wholly unique like, "Watch out for the high strung brother in the military." This anthology will be comprised of longer and shorter pieces, drawn from an array of impressive celebrities, writers and public figures. Some pieces may be a paragraph in length while others will be full-blown essays. All of them will be about that salient something men take away from a failed relationship. Yes, men learn. This is not a touchy-feely book. This is not a self-help book. This is a book packed with smart, funny and insightful stories from men you probably thought never got dumped, or if they did, would

never admit it.

Women and the Genesis of Christianity Feb 24 2022 This book presents in as clear a way as possible the New Testament material dealing with women and their roles in the context of the movement Jesus began. Dr Witherington begins by illustrating the roles of women in Judaism, in the Hellenistic world, and in the Roman Empire. She goes on to show how Jesus broke significantly with convention in the way he viewed women and their roles, offering as he did a wholly new conception of the legitimate rights of women in society. An analysis follows of the apostle Paul's attitude toward women, which shows how he agreed with and differed from the ideas of his contemporaries. The concluding chapters discuss the evangelists, whose selection and presentation of material with respect to women casts much light on the early Church's understanding of women and their roles. This comprehensive survey, which avoids slanting its material to serve a modern patriarchal or feminist bias, comes to the exciting conclusion that we can see in the New Testament an attempt to reform the patriarchal orientation of the day.

Son of Sedonia Feb 01 2020 Imagine growing up in the largest slum on the planet in the year 2080AD. Twenty million people are your neighbors, huddled together in an ocean of rusted dwellings made from whatever Sedonia City, the towering metropolis in the distance, decides to throw away. Gang members, known as the T99s, are the heads of your community:

smuggling tech, trafficking drugs, and fighting a constant guerilla war against the City's bio-augmented EXO police force. There is little hope for survival. None for escape to a better life beyond the half-mile high Border between city and slum. This is Matteo's world. A bright kid, but sick and weak since childhood, he is painfully dependent on Jogun: loving older brother, and hardened soldier for the T99s. When a luxury transport from Sedonia's aerial traffic crash-lands in Rasalla, it threatens to change Matteo and Jogun's fate forever. And all fates are connected. The Dwellers of Rasalla, bound by family in the scrap, ashes, and dirt. The Citizens of Sedonia, oblivious to danger in the buzzing twilight of the Neuro-Social Revolution. The EXOs, placing themselves in harm's way to perform their duty to protect their homes and fellow officers. And the Ruling Elite, whose long-buried secrets and desperate plans could spell the end of civilization...or a new beginning. Son of Sedonia is an action-filled science fiction epic with a soul and a clear message. Its characters live, breathe, suffer, and love in their different worlds, each brought to the brink as the Third-World collides with the First. Their future could well be ours.

The Most Precious Gift Man Can Give to a Woman Apart from His Heart Apr 04 2020 A totally blank book that speaks volumes in the universal language of love.it promises an amazing answer to the timeless desire of every man that has been searching for the best gift they can give to a woman.

Wonder Woman: I Am Wonder Woman Jun 18 2021 I was born on Paradise Island. I come to share a message of peace and justice. I can fly like an eagle and ward off danger with the power of my silver bracelets. Bad guys, beware my Golden Lasso of Truth. I am Wonder Woman!

Ordaining Women Aug 01 2022 B. T. Roberts saw the exclusion of women from ordination as analogous to racism. His ability to see the new community made possible by Christ offers Christians today a prophetic vision of the difference Christ makes. Roberts's 1891 *Ordaining Women* takes seriously the scriptural promise that Christ has unmasked the false distinctions and repaired the damaged social arrangements of this world. Like the abolition of slavery, the ordination of women becomes yet another obvious sign of the world made new in Christ. With careful attention to biblical interpretation, church tradition, and empirical evidence, Roberts exposes the biases that have long held captive the Christian imagination. In this new edition, Benjamin Wayman offers an updated and fully annotated version of

Roberts's original work and demonstrates the breadth and depth of his analysis. Roberts's vision of the gospel challenges the traditional and still-dominant view of the global church, and invites Christians to reimagine the inclusion of women in ordained ministry. If Christians had for so long been wrong about race, might we today be wrong about gender?

Ben Jonson's Epicene, Or The Silent

Woman Jan 14 2021 This is an easy-to-read retelling of EPICENE, one Ben Jonson's classic comedies. Reading this retelling first will make

reading the original play much easier. Do you know a language other than English? If you do, I give you permission to translate this book, copyright your translation, publish or self-publish it, and keep all the royalties for yourself. (Do give me credit, of course, for the original retelling.) I would like to see my retellings of classic literature used in schools, so I give permission to the country of Finland (and all other countries) to buy one copy of this eBook and give copies to all students forever. I also give permission to the state of Texas (and all other states) to buy one copy of this eBook

and give copies to all students forever. I also give permission to all teachers to buy one copy of this eBook and give copies to all students forever. Teachers need not actually teach my retellings. Teachers are welcome to give students copies of my eBooks as background material. For example, if they are teaching Homer's Iliad and Odyssey, teachers are welcome to give students copies of my Virgil's Aeneid: A Retelling in Prose and tell students, "Here's another ancient epic you may want to read in your spare time."
