The Night of the Gun Nov 11 2020 David Carr was an addict for more than twenty years -- first dope, then coke, then finally crack -- before the prospect of losing his newborn twins made him sober up in a bid to win custody from their crack-dealer mother. Once recovered, he found that his recollection of his 'lost' years differed -- sometimes radically -- from that of his family and friends. The night, for example, his best friend pulled a gun on him. 'No,' said the friend (to David's horror, as a lifelong pacifist), 'It was you that had the gun.' Using all his skills as an investigative reporter, he set out to research his own life, interviewing everyone from his parents and his ex-partner to the

policemen who arrested him, the doctors who treated him and the lawyers who fought to prove he was fit to have custody of his kids. Unflinchingly honest and beautifully written, the result is both a shocking account of the depths of addiction and a fascinating examination of how -- and why -- our memories deceive us. As David says, we remember the stories we can live with, not the ones that happened.

A Night in the Snow Apr 28 2022 In 1856 the Reverend Edmund Donald Carr was overtaken by a blizzard on his way to an evening service. Snow blind and half dead, Carr survived and wrote his experience in a first person narrative, *A Night in the Snow*.

Viewing Pleasure and Being a Showgirl Sep 29 2019 Drawing on interviews with a breadth of different showgirls, from shows in Paris, Las Vegas, Berlin, and Los Angeles, as well as her own artworks and those by other contemporary and historical artists, this book examines the experiences of showgirls and those who watch them, to challenge the narrowness of representations and discussions around what has been termed 'sexualisation' and 'the gaze'. An account of the experience of being 'looked at', the book raises questions of how the showgirl is represented, the nature of the pleasure that she elicits and the suspicion that surrounds it, and what this means for feminism and the act of looking. An embodied articulation of a new politics of looking, *Viewing Pleasure and Being a Showgirl* engages with the idea (reinforced by feminist critique) that images of women are linked to selling and that women's bodies have been commodified in capitalist culture, raising the question of whether this enables particular bodies - those of glamorous women on display - to become scapegoats for our deeper anxieties about consumerism.

YOUR LIFE Allen Carr's Easyway is a global phenomenon. It has helped millions of smokers from all over the world, and has also been successfully applied to a wide range of other issues, including drinking, overeating, and overspending. Here the method addresses the fastest growing social problem of modern times: gambling. Allen Carr explains how gamblers fall into the trap and why they keep gambling despite knowing that it's ruining their lives. By explaining the nature of the trap, he removes the desire to gamble and the fears that keep you hooked. Most important of all, you will not feel that you've made a sacrifice, you will not miss gambling, and you will enjoy life to the full without feeling in any way deprived. What people say about Allen Carr's Easyway method: "The Allen Carr program was nothing short of a miracle." Anjelica Huston "It was such a revelation that instantly I was freed from my addiction." Sir Anthony Hopkins "His skill is in removing the psychological dependence." The Sunday Times

Dostoevsky 1821-1881 Dec 13 2020 The bare events of Dostoevsky's life - his father murdered by peasants, his own ordeal before a firing squad, then exile in Siberia, his epilepsy, gambling, poverty and debts - go far to account for his strange intensity of vision. This biography, first published in 1931, traces his wayward development, from his strict and secluded childhood to his debut as 'literary pimple', through his years of anguish, to his maturity as artist and final apotheosis as Russian patriot. Written some fifty years after Dostoevsky's death, when the material necessary for a full study first became available, Carr's classic study reflects an approach to the life and genius of Dostoevsky dominated by the concerns of the mid-twentieth century. With its illuminating chapters on each of the great novels and its stylistic precision, this treatment of Dostoevsky remains a perfect introduction to the man, both as a novelist and as a human being.
