Vampire Hunter D Omnibus: Book One Mar 29 2022 A new omnibus collecting the first three volumes of the Vampire Hunter D horror novel series! It is 12,090 A.D., thousands of years since the human race nearly destroyed itself in a nuclear war--a folly foreseen by those who waited to emerge out of the underground...not from shelters, but from crypts! The aristocratic vampire lords known as the Nobles inherited our world, and with dark science and immortal patience made real the things that mortals had merely dreamed, whether voyaging to the distant stars, or conjuring monsters to roam the Earth. Yet the grand civilization of the Nobles has grown decadent, and as the terrorized remnants of humanity

at last found the strength to rebel, their undying lords have been pushed back to the Frontier--the violent borderlands where humans still remain the prey of vampires, who for all their knowledge and power have never lost their obsession with our living flesh, blood...and souls! In this bizarre and deadly far future the most dangerous thing of all is not a vampire, but the one who hunts them--the one who is half them--a dhampir, the unearthly beautiful wanderer known as D. The Vampire Hunter D Omnibus collects the first three novels in author Hideyuki Kikuchi's adventure horror series: Vampire Hunter D, Raiser of Gales, and Demon Deathchase. Illustrated by Final Fantasy artist Yoshitaka Amano, this book is only the beginning of a legend!

**Ghostbusters - The Original Movie Novelizations Omnibus** Feb 02

2020 For the first time in a beautiful new edition, this omnibus will collect together the original official novelizations of both Ghostbusters 1 and 2. Relive the classic Ghostbusters stories with the original movie novelizations reprinted for the first time since 1980s. When Dr. Peter Venkman and his Columbia University colleagues are kicked out of their prestigious academic posts, they start a private practice as professional ghost-catchers. Although things do not start auspiciously for the three parascientists, their television advertisements finally pay off when beautiful Dana Barrett contracts them. It seems her apartment has become the entryway for ghastly ghosts and goofy ghouls hellbent on terrorising New York City. Soon they're not just going to her rescue, but trying to rid the whole city of the slimy creatures. After waging a war on slime that cost New York City millions, the Ghostbusters find themselves out of business until an ancient tyrant, preparing a return to the Earthly domain through his portrait at the Manhattan Museum of Modern Art, sets his sights on Dana Barrett's baby as the new home for his wicked soul!

**The Bill Slider Omnibus** Dec 14 2020 ORCHESTRATED DEATH Middle-class, middle-aged and, according to his partner, menopausal, Detective Inspector Bill Slider is never going to make it to the Yard. Passed over for promotion again, the last thing he needs in his life, or on his patch, is an unidentifiable, naked female corpse. A priceless Stradivarius and a giant tin of olive oil are the only clues in an investigation that takes the steely-eyed, furry-headed detective all the way from the exotic backstreets of Shepherd's Bush to far-flung Birmingham. DEATH WATCH When a noted womaniser dies in mysterious circumstances in a sleazy motel and the whole of his murky past comes to light, DI Bill Slider begins to question more than whether the game is worth the candle. Right is right, and indivisible. As soon as he's solved the motel mystery, and found out what the Neary boys and Gorgeous George are up to, Slider's going to have to start putting his own house in order ... NECROCHIP Detective Superintendent 'George' Dickson's replacement by DS 'Mad Ivan' Barrington - a new broom determined to sweep clean - is all par for the course for DI Bill Slider, as

he faces the unhygienic fact of a dismembered corpse in a catering establishment. But there are still niggling questions to distract him: why didn't Barrington like Dickson? What is the mystery of the stake-out they once did together? And why is Slider's home life in almost perpetual stride?
