Getting the books **Secrets Of The Knights Templar The Hidden History Of The Worlds Most Powerful Order** now is not type of inspiring means. You could not deserted going later ebook deposit or library or borrowing from your associates to retrieve them. This is an certainly easy means to specifically acquire guide by on-line. This online proclamation **Secrets Of The Knights Templar The Hidden History Of The Worlds Most Powerful Order** can be one of the options to accompany you in the manner of having further time.

It will not waste your time. undertake me, the e-book will utterly manner you extra event to read. Just invest little mature to log on this on-line declaration **Secrets Of The Knights Templar The Hidden History Of The Worlds Most Powerful Order** as competently as evaluation them wherever you are now.

**Templar Secrets** May 31 2022  
FROM THE TEMPLE OF  
SOLOMON TO THAT OF THE  
FREEMASONS: Three  
thousand years ago, in  
Jerusalem, a brutal murder  
took place. Nevertheless, the  
chain of events it set in motion

is still felt to this day. On the  
distant end of that spectrum is  
Hiram. He was the Phoenician  
builder of Solomon's Temple,  
and whose death is central to  
the Masonic Third Degree. But  
who killed him, and why? And  
what was truly lost after his  
murder? On the other end is

George: A young Mason in  
present-day Cyprus, struggling  
to unravel the origins of the  
institution he just joined. Was  
modern Freemasonry really  
created by English medieval  
stonemasons? And what do all  
its secret handshakes and  
passwords still protect? In the

centuries separating them, were the Knights Templar. History tells us they got disbanded after their arrests in 1307. But were they? Or did some Templars survive and kept on secretly protecting an ancient holy relic their Order had discovered two hundred years earlier?

**The Knights Templar and Other Secret Societies of the Middle Ages** Apr 17 2021 This groundbreaking study examines the far-reaching history of the Assassins of the Middle East, the Knights Templar of Europe, and the Secret Tribunals of Westphalia. *The Templars' Last Secret* Jul 01 2022 In this installment in the delightful, internationally

acclaimed series Chief of Police Bruno works to connect the tangled threads of past and present. He nonetheless finds time, naturellement, to enjoy the wine, food, and beauty of the Périgord region. When a woman's body is found at the foot of a cliff near the idyllic French town of St. Denis, chief of police Bruno Courrèges suspects a connection to the great ruin that stands above: a long-ago Knights Templar stronghold. With the help of Amélie, a young newcomer to the Dordogne, Bruno learns that the dead woman was an archaeologist searching for a religious artifact of incredible importance. And her ties to Islamic terrorists—not to

mention the return of an old flame of Bruno's, who is assigned to work with him on the case—only heightens the pressure to unravel the centuries-old mystery.

**The Everyday Life of the Templars** Aug 29 2019 The lives of the medieval Templars seem hidden and mysterious. Helen Nicholson discovers their everyday world set out in the early fourteenth-century records from their trial: from buildings, food and drink, to employees, tenants and making money. Drawing this evidence together, she produces a fascinating insight into the lives of these famous men. [Sacred Sites of the Knights Templar \(Nipb\)](#) Mar 29 2022

All across the continent of Europe, massive stone monuments erected by a prehistoric culture can be found. These megalithic stones, resisting centuries of weathering or assaults by modern men, are all that remain of a society that has been erased by time. Stonehenge is the most familiar of these megalithic monuments, but in fact represents only one of many similar sites. Who were the people who built these monuments? Why were these stones significant to them? Sacred Sites of the Knights Templar examines sacred megalithic sites across the globe—such as Stonehenge and

Rennes-le-Chateau -- revealing the astronomical significance of these sites as well as the secrets that significance bore to the Knights Templar. This revolutionary book offers a new explanation for two main subjects: The distribution and meaning of the megalithic monuments of Europe, which were constructed to commemorate astronomical events Evidence for a continuing and hidden philosophy based on ancient astronomy maintained in secret by the Knights Templar and in turn by the Freemasons The author offers theories regarding these sites—their meanings, their secrets, their lasting impression on the

Western World, and their sacred symbolic influences on Freemasonry throughout history.

**The Templar Revelation** Apr 29 2022 The most closely guarded secret of the western world is about to be revealed—and you will never see Christianity in the same light again. In a remarkable achievement of historical detective work that is destined to become a classic, authors Lynn Picknett and Clive Prince delve into the mysterious world of the Freemasons, the Cathars, the Knights Templar, and the occult to discover the truth behind an underground religion with roots in the first century that survives even

today. Chronicling their fascinating quest for truth through time and space, the authors reveal an astonishing new view of the real motives and character of the founder of Christianity, as well as the actual historical—and revelatory—roles of John the Baptist and Mary Magdalene. Painstakingly researched and thoroughly documented, *The Templar Revelation* presents a secret history, preserved through the centuries but encoded in works of art and even in the great Gothic cathedrals of Europe, whose final chapter could shatter the foundation of the Christian Church.

**Templar** Nov 12 2020  
*Templar Sanctuaries in North America* Aug 22 2021 Traces the movement of the Templars' secret treasure across North America to where it still resides, protected by a sacred lineage of guardians • Explains how the Templars found refuge with Native American tribes, intermarrying with the Natives to continue the Holy Bloodline and further the lineage of guardians needed to protect their treasure and secrets • Reveals new evidence for the existence of Templar settlements and monuments across North America and how these reactivate the continent's sacred rose lines • Pinpoints the exact location of the

Templar/Holy Bloodline treasure Many have searched for the lost treasure of the Knights Templar, most famously at Oak Island. But what if the treasure wasn't lost? What if this treasure--necessary to sanctify the Temple of Solomon and create a New Jerusalem--was moved through the centuries and protected by a sacred lineage of guardians, descendants of Prince Henry Sinclair and the Native American tribes who helped him? Drawing on his access as Grand Archivist of the Knights Templar of Canada and his own role as a descendant of both Sinclair and the Anishinabe/Algonquin tribe, William Mann examines new

evidence of the Knights Templar in the New World long before Columbus and their mission to protect the Holy Bloodline of Jesus and Mary Magdalene. He reveals the secret settlements they built as they moved westward across the vast wilderness of North America, evading the European Church and Royal Houses. He explains how the Templars found refuge in the Sacred Medicine Lodges of the Algonquins, whose ceremonies and rituals bear striking resemblance to the initiations of Freemasonry. He reveals the strategic intermarriages that took place between the Natives and the Templars, furthering the Holy Bloodline and

continuing the lineage of blood-guardians. The author explores how Sinclair's journey from Nova Scotia across America also served to reactivate the sacred rose lines of North America through the building of "rose castles" and monuments, including the Newport Tower and the Kensington Rune Stone. Pinpointing the exact location of the Templar treasure still hidden in North America, the author also reveals the search for Templar sanctuaries to be the chief motivation behind the Lewis and Clark expedition and the murder of Meriwether Lewis.

**Knights Templar** Jan 15 2021  
History, legend and conspiracy

meet in the tales of the Knights Templar. Warriors, bankers, magicians and heretics, they were officially disbanded in 1314, but they continue to influence the world to the present day. Within these pages, readers will discover not only the warrior monks of the Crusades, but also the legends and rumors of later ages. What secret did the Templars uncover beneath the Temple of Solomon, and how did it make them so powerful that kings and Popes feared them? What is their link to the Holy Grail - and what is the Grail's true nature? What became of their legendary treasure? What role did they play in the birth of America? How do they continue

to manipulate governments worldwide? Where were they active historically, and where might they be found today? The answers to these and other questions are found here.

*The Knights Templar in Britain*

Feb 13 2021 The Knights Templar rose to be the most powerful military order of the Middle Ages. The first ever history of the powerful Knights Templar in Britain - a secret society whose rites and rituals are shrouded in mystery, who ran the Crusades and dictated to Kings and Popes. Provides a crucial insight into the history of the crusades and examines who became Knights and what sort of rituals sustained them. Explores the earliest origins of

the financial system in England. The Knights Templar, founded early in the twelfth century, swiftly and stealthily rose to be the most powerful military order of the Middle Ages. While their campaigns in the Middle East and travels across Europe are well known, their huge influence across the British Isles is virtually uncharted. The Knights Templar in Britain reveals just who became knights, what kind of rituals sustained them, where the power bases were and how their tentacles spread throughout the political and economic worlds of Britain before their inquisitorial defeat two hundred years later. Evelyn Lord is at the

Cambridge University. [Secret of the Templars](#) Sep 03 2022 The adventures of retired Army Ranger John "Doc" Holliday and his quest to uncover the secrets of the Templars continue to thrill in this novel from New York Times bestselling author Paul Christopher... After his niece and her fiancé are brutally murdered, Holliday vows to avenge their deaths and finish their work by finding a long-lost Dead Sea Scroll. But in doing so, he stumbles upon a conspiracy linking the Catholic Church to an illicit art forgery operation involving the Nazis. Hunted by those determined to hide the truth, Holliday and Interpol agent Peter Lazarus

embark on a desperate race from the vaults of the Vatican to the deserts of Pakistan to unravel a mystery born in the final days of the Third Reich, and to recover the scroll—the contents of which could destroy the very foundations of the Christian faith.

*Pirate Origins- Ancient Hidden Ties to the Knights Templar* Jan 03 2020 Have you ever wondered how pirates managed to get so well organized to pose such a threat to the whole of the Caribbean? Do you wonder about the origins of the symbols that pirates used, such as the skull and crossbones? Are you interested in learning more about lost pirate treasure?

**PIRATE ORIGINS** The short book will help you discover: - Legend of the Templar Fleet - Legends about the Templars Discovering America - Unravel the mystery of Roger de Flor - Try to explain the origins of the "Jolly Roger" - Recount tales of buried treasure Are you ready to embark on your journey of discovery? Click BUY NOW below to start your amazing voyage.

**The Lost Colony of the Templars** May 19 2021 Reveals the existence of a Templar colony in the New World and how the explorer Verrazano, also a member of a secret society, attempted to reestablish contact with it • Explores Columbus's

connection to Henry Sinclair's maps of the New World • Examines the secret alliance of Catholic Sulpicians and French Huguenots to preserve the Templar legacy • Reveals the hidden knowledge preserved in the Templar baptisteries found throughout Europe and in Newport, Rhode Island In 1524 the Italian explorer Giovanni da Verrazano was sent by the French king Francis I on an expedition ostensibly to find a shorter route to China. However, his true mission, Steven Sora suggests, was to contact a Templar colony that might have been established in Newport, Rhode Island, by Henry Sinclair at the end of the 14th century. In his expedition

log Verrazano recorded that his only stay on this journey was at Newport Harbor, the site of a tower built to the exact measurements of a Templar baptistry, a sacred sanctuary representing baptism and eternal life. This tower is a remnant of Sinclair's voyage to America nearly a century before that of Columbus (who had access to Sinclair's maps thanks to his wife, who was Sinclair's great-granddaughter). While Verrazano's mission succeeded in finding the tower, the colony itself eluded him. His backers then decided to resurrect the dream of Acadia--a place where they could aspire to higher knowledge without fear of

Church or state--by creating a new Secret Society that included Huguenots and Catholic Sulpicians. This Company of the Holy Sacrament would lay the foundations for Montreal in an attempt to realize the ambitions of Sinclair and his Templar companions, as well as to stave off efforts by the Jesuits to transform Quebec into a fiefdom of the orthodox Church. Quebec's motto, "Je me souviens" (I remember), is a reference to this secret history. [Secret Societies of America's Elite](#) Jun 07 2020 An expose of the dark and critical role secret societies play within the ruling families in America and their influence on American

democracy, current events, and world history. • Reveals the enormous influence secret societies still have on contemporary American life. • Shows how the secret Masonic cells that smuggled in the democratic ideals inspiring the American Revolution also enabled the future elite of the new society to build huge fortunes. Elite and secret societies have always been a major force in the history of Western civilization. The alliances formed in secret societies such as the Knights Templar, the Knights of Christ, and the Freemasons transcended patriotism and religious beliefs and had a powerful influence on the

establishment of the United States of America. While these secret associations of merchants, smugglers, occultists, gamblers, spies, and slavers succeeded in freeing the United States from foreign domination, the dark side is that the elite used their secret connections to further their own wealth and power. These secret cells did not hesitate to sponsor the assassination of a president and even attempted to break up the union on several occasions when it was deemed expedient. From the Sons of Liberty and the Essex Junto to the Ku Klux Klan, secret societies have played critical roles in building the fortunes of America's elite.

Now Steven Sora reveals in alarming detail how secretive societies continue to wield power even today as organizations such as Yale's Skull & Bones unite America's modern ruling families as strongly as Masonic Lodges once connected the Astors, Livingstons, and Roosevelts. Their immense power and wealth allow this elite to control America to an even greater degree than the Templars once dominated Europe.

Jesse James and the Lost Templar Treasure Oct 24 2021  
An investigation into the lost treasures of Jesse James and the Freemasons and their connections to the Templars,

Rosicrucians, and the Founding Fathers • Explains how Jesse James used techniques involving sacred geometry, gematria, and esoteric symbols to hide his treasures and encode maps • Provides instructions for using the encoding template employed by Jesse James and the Freemasons to hide and recover treasure and sacred relics • Shows how the encoding template confirms the existence of treasures on Oak Island and Victorio Peak and can be traced to a 16th-century book containing a secret map of the New World and the “hooked X” of the Knights Templar Jesse James left behind secret diaries and

coded treasure maps. Working to decrypt these maps, Daniel J. Duke--the great-great grandson of Jesse James--reveals hidden treasures yet to be recovered as well as connections between the infamous train robber and Freemasonry, the Knights Templar, the Founding Fathers, and Jewish mysticism. The author explains how Jesse James faked his death and lived out his final years under the name James L. Courtney. He uncovers James' affiliation with the Knights of the Golden Circle, a secret society that buried Confederate gold across the United States, and shows how the hidden treasures coded into James' maps were not affiliated with the KGC but

with the Freemasons, the Knights Templar, and the treasure of the Temple Mount. Using sacred geometry, gematria, and the Kabbalistic Tree of Life symbol, the author explains the encoded map technique used by the Freemasons to hide and later recover treasures, an esoteric template known as the "Veil". He shows how the Veil template confirms the locations of Jesse James' recovered treasures in Texas as well as other suspected treasure locations, such as the Oak Island Money Pit and Victorio Peak in New Mexico. Tracing knowledge of the Veil template back through the centuries, the author reveals the Veil hidden

on the cover of a 16th-century book that contains a secret map of the New World and the "hooked X" symbol of the Knights Templar. He shows how the template was used not only to hide treasures but also sacred knowledge and relics, such as within the Bruton Vault, which originally contained secrets tied to Francis Bacon, the Freemasons, the Rosicrucians, and the founding of the United States. Applying the Veil template alongside the esoteric secrets of Poussin's famous painting, Et In Arcadia Ego, and Cassini's Celestial Globe, Duke shows how the template reveals other Templar and Freemason treasure sites

scattered throughout America and around the world.

### **The Knights Templar in the Golden Age of Spain** Aug 10 2020

A thorough examination of the history of the Templars in Spain and Portugal •

Explores the mysteries surrounding the location of Templar enclaves • Examines the Templar connections to the Cathars and to the troubadour culture • Looks at the Order's influence in the kingdoms of Aragon and Catalonia and the Spanish monarchy itself The rise and fall of the Templar Order constitutes a fundamental and decisive episode in medieval history, and the destruction of the Order constitutes a pivotal

point that fundamentally altered the direction of society. While much is known about the history of the Templar Order in France, home of its chief commandery in Paris, and in the Latin States of the Middle East, their contribution to events on the Iberian peninsula has until now remained obscure and unexplored. Renowned Templar scholar Juan García Atienza reveals here the important role the Templars played in the Reconquista that saw the Moors driven out of Spain and demonstrates the great influence they exerted in the kingdoms of Castille and Navarre and the territories of Catalonia and Aragon. He

examines the mysterious connections between the Templars and the Cathars and troubadours as well as the mystery surrounding the location of all the Templar enclaves in the Iberian peninsula. He also unveils the important role the Templars had as teachers of the Spanish king James I, known as the Conqueror, whose attempt to establish a universal theocratic empire may have been a reflection of Templar ambitions, and explores the Order's suppression in Spain and how it survived in Portugal by simply changing its name. [The Secret Dossier of a Knight Templar of the Sangreal](#) Nov 24 2021 Did the Knights

Templar survive the arrests on October 13th, 1307? The question is steeped in controversy. During research on the Order in England, the author was contacted by a leading member who wanted to share the unusual and secret history of his family. The Revised Edition includes stunning New Photos & Star Charts. Well researched & annotated

*The Templar Meridians* Feb 25 2022 Reveals the true nature of the secret science the Templars discovered in the Holy Land that was the key to their power

- Shows the cartographic knowledge that allowed the Templars to cross the Atlantic and establish settlements in the

New World • Explains the connection of the Templar meridians to the journey of Lewis and Clark • Shows the role played by secret societies in the establishment of the United States The most enduring mystery surrounding the Templars concerns the nature and whereabouts of their great treasure. Whereas many believe this lost treasure contains knowledge of the bloodline of Christ, William F. Mann shows that it actually consists of an ancient science developed before the Great Flood--knowledge discovered by the Templars in the Holy Land during the Crusades and still extant today in Templar/Masonic ritual. Among

other things, this knowledge enabled the Order to establish accurate latitudinal and longitudinal positions long before the foundations of the current science were laid in the seventeenth century. This allowed them to cross the Atlantic to reach the New World, where they established secret settlements and mining operations that gave them a limitless supply of precious metals and a military edge over their opponents. Pursued farther into the interior of the North American continent by their adversaries from the Old World, the Templars left artifacts, relics, and information caches at key sites, confident that future initiates

could use their understanding of the science of meridians and ley lines to locate them. The author points out that not only did future masons such as Jefferson and Washington use this science as the basis of their designs for Monticello and Washington, D.C., but the true motive of the expedition of Lewis and Clark was to identify the meridians mapped by the Templars and to search for the final resting place of Prince Henry Sinclair--where the great Templar treasure could also be found.

*First Templar Nation* Jul 09 2020 Overturns the long-established historical narrative about the origins and purpose of the Knights Templar •

Explains how and why the Templars created Europe's first nation-state, Portugal, with one of their own as king • Reveals the Portuguese roots of key founding members, their relationship with the Order of Sion, the Templars' devotion to Mary Magdalene and John the Baptist, and the meaning and exact location of the Grail • Provides evidence of Templar holy sites and hidden chambers throughout Portugal • Includes over 700 references, many from new and rare sources Conventional history claims that nine men formed a brotherhood called the Knights Templar in Jerusalem in 1118 to provide protection for pilgrims traveling to the Holy

Land. Overturning this long-established historical narrative, Freddy Silva shows that the Order of the Temple existed a decade earlier on the opposite side of Europe, that the protection of pilgrims was entrusted to a separate organization, and that, in league with the Cistercian monks and the equally mysterious Order of Sion, the Templars executed one of history's most daring and covert plans: the creation of Europe's first nation-state, Portugal, with one of their own as king. Including over 700 references, many from new and rare sources, Silva reveals Portugal, not Jerusalem, as the first Templar stronghold. He

shows how there were eleven founding members and how the first king of Portugal, a secret Templar, was related to Bernard de Clairvaux, head of the Cistercians. The author explains the Templars' motivation to create a country far from the grasp of Rome, where they could conduct their living resurrection initiation-- whose candidates were declared "risen from the dead"-- a secret for which the Church silenced millions and which the Templars protected to the death. Placing the intrepid Knights in a previously unknown time and place, Silva's historical narrative reveals the Portuguese roots of key founding members, their

relationship with the Order of Sion, the Templars' unshakeable devotion to Mary Magdalene and John the Baptist, and how they protected a holy bloodline in Portugal. He also provides evidence of secret Templar holy sites, initiation chambers, and hidden passageways throughout Portugal, often coinciding with pagan and Neolithic temples, and explains how their most important site forms a perfect triangle with the Abbey of Mont Sion in Jerusalem and the Osirion temple in Egypt. The author also reappraises the meaning of the Grail and reveals its exact location, hidden in plain sight to this very day.

**Sworn in Secret** Dec 26 2021  
This exploration of the remarkable people and influential activities of the Knights Templar and Freemasonry is truly stunning. It sheds considerable new light on how the practices, symbols and rituals of these two brotherhoods took shape and affected the world around them. "Born in Blood" began this work before its author passed away in 1996. Now historian Sanford Holst has gathered many more discoveries and internal documents that give a deeper look into the workings of the Templars and Freemasons. The roots of Masonry are traced to Solomon's Temple, the rise of

Christianity, and the Crusades, causing this society's relationships with stonemasons and the Templars to take on new and significant meaning. We come to see how actions by Templars and Masons affected the fall of kings in Europe, the rise of democracy, and the Vatican's loss of its supreme position atop the Christian world. After Masonry emerged into public view in 1717, it had a strong influence on George Washington, Benjamin Franklin and other Masons who worked to create a new country in America. These experiences are seen through the eyes of people who lived through the actual events -- often told in their own words and drawn

from remarkable collections of records dating from those times. A tantalizing question is asked: what practices among the Templars and Masons still affect our lives today? This well-documented look inside the secretive Templar and Masonic societies provides answers that may surprise you. **The Lost Treasure of the Knights Templar** Jul 21 2021 A compelling argument that connects the lost treasure of the Knights Templar to the mysterious money pit on Oak Island, Nova Scotia, that has baffled treasure hunters for two centuries • Fascinating occult detective work linking the Cathars, the Scottish Masons, and Renne-le-Chateau

to the elusive treasure pit on Oak Island • Draws on new evidence recently unearthed in Italy, France, and Scotland to provide a compelling solution to one of the world's most enduring mysteries When the Order of Knights Templar was ruthlessly dissolved in 1307 by King Philip the Fair of France it possessed immense wealth and political power, yet none of the treasure the Templars amassed has ever been found. Their treasure is rumored to contain artifacts of spiritual significance retrieved by the order during the Crusades, including the genealogies of David and Jesus and documents that trace these bloodlines into the royal bloodlines of

Merovingian France. Placing a Scottish presence in the New World a century before Columbus, Steven Sora paints a credible scenario that the Sinclair clan of Scotland transported the wealth of the Templars--entrusted to them as the Masonic heirs of the order--to a remote island off the shores of present-day Nova Scotia. The mysterious money pit there is commonly believed to have been built before 1497 and has guarded its secret contents tenaciously despite two centuries of determined efforts to unearth it. All of these efforts (one even financed by American president Franklin Delano Roosevelt) have failed, thanks to an

elaborate system of booby traps, false beaches, hidden drains, and other hazards of remarkable ingenuity and technological complexity. *The Last Guardians of the Knights Templar's Treasure. Nothing is More Hidden Than what is Visible to Everyone* Jan 27 2022 [The Last Templar](#) Jun 19 2021 The first thrilling novel in Raymond Khoury's New York Times bestselling Templar series. In 1291, a young Templar knight flees the fallen holy land in a hail of fire and flashing sword, setting out to sea with a mysterious chest entrusted to him by the Order's dying grand master. The ship vanishes without a trace. In

present day Manhattan, four masked horsemen dressed as Templar Knights stage a bloody raid on the Metropolitan Museum of Art during an exhibit of Vatican treasures. Emerging with a strange geared device, they disappear into the night. The investigation that follows draws archaeologist Tess Chaykin and FBI agent Sean Reilly into the dark, hidden history of the crusading knights—and into a deadly game of cat and mouse with ruthless killers—as they race across three continents to recover the lost secret of the Templars. **The Templar Papers** Feb 02 2020 The Templar papers, author and historian Oddvar

Olsen has assembled a veritable Who's Who of experts to unravel the mystery.

**The Templar Legacy** Oct 31

2019 New York Times

BESTSELLER -- "Exciting...

hard to put down without reading one more page." - The Florida Times-Union The ancient order of the Knights Templar possessed untold wealth and absolute power over kings and popes . . . until the Inquisition, when they were wiped from the face of the earth, their hidden riches lost.

But now two forces vying for the treasure have learned that it is not at all what they thought it was—and its true nature could change the modern world. Cotton Malone,

one-time top operative for the U.S. Justice Department, is enjoying his quiet new life as an antiquarian book dealer in Copenhagen when an unexpected call to action reawakens his hair-trigger instincts—and plunges him back into the cloak-and-dagger world he thought he'd left behind. It begins with a violent robbery attempt on Cotton's former supervisor, Stephanie Nelle, who's far from home on a mission that has nothing to do with national security.

Armed with vital clues to a series of centuries-old puzzles scattered across Europe, she means to crack a mystery that has tantalized scholars and fortune-hunters through the

ages by finding the legendary cache of wealth and forbidden knowledge thought to have been lost forever when the order of the Knights Templar was exterminated in the fourteenth century. But she's not alone. Competing for the historic prize— and desperate for the crucial information Stephanie possesses—is Raymond de Roquefort, a shadowy zealot with an army of assassins at his command. Welcome or not, Cotton seeks to even the odds in the perilous race. But the more he learns about the ancient conspiracy surrounding the Knights Templar, the more he realizes that even more than lives are at stake. At the end of a lethal

game of conquest, rife with intrigue, treachery, and craven lust for power, lies a shattering discovery that could rock the civilized world--and, in the wrong hands, bring it to its knees.

**The Knights Templar in the New World** Mar 17 2021 Uses the principles of sacred geometry, archaeological evidence, and Native American legend to discover the site of a secret Templar settlement in Nova Scotia • Offers evidence that Scottish prince Henry Sinclair not only sailed to the New World 100 years before Columbus, but that he also established a refuge there for the Templars fleeing persecution • Shows that the

Grail, the holy bloodline connecting the House of David to the Merovingian dynasty through Jesus and Mary Magdalene, was hidden in the New World In 1398, almost 100 years before Columbus arrived in the New World, the Scottish prince Henry Sinclair, Earl of Orkney, sailed to what is today Nova Scotia, where his presence was recorded by Micmac Indian legends about Glooskap. This was the same Prince Henry Sinclair who offered refuge to the Knights Templar fleeing the persecution unleashed against the order by French king Philip the Fair at the beginning of the 14th century. With evidence from archaeological sites,

indigenous legend, and sacred geometry handed down by the Templar order to the Freemasons, author William F. Mann has now rediscovered the site of the settlement established by Sinclair and his Templar followers in the New World. Here they found a safe refuge for the Grail--the holy bloodline connecting the House of David to the Merovingian Dynasty through the descendants of Jesus and Mary Magdalene--until the British exiled all the Acadians in 1755. **The Templars and the Assassins** Dec 14 2020 • An examination of the interactions of the Christian Knights Templar and their Muslim counterparts, the Assassins,

and of the profound changes in Western society that resulted. • Restores the reputation of the secret Muslim order of the Assassins, disparaged as the world's first terrorist group. • Dispels many myths about the Knights Templar and provides the most incisive portrait of them to date. A thousand years ago Christian battled Muslim for possession of a strip of land upon which both their religions were founded. These Crusades changed the course of Western history, but less known is the fact that they also were the meeting ground for two legendary secret societies: The Knights Templar and their Muslim counterparts, the Assassins. In The Templars and

the Assassins: The Militia of Heaven, occult scholar and secret society member James Wasserman provides compelling evidence that the interaction of the Knights Templar and the Assassins in the Holy Land transformed the Templars from the Pope's private army into a true occult society, from which they would sow the seeds of the Renaissance and the Western Mystery Tradition. Both orders were destroyed as heretical some seven hundred years ago, but Templar survivors are believed to have carried the secret teachings of the East into an occult underground, from which sprang both Rosicrucianism and Masonry.

Assassin survivors, known as Nizari Ismailis, flourish to this day under the spiritual leadership of the Aga Khan. Wasserman strips the myths from both groups and penetrates to the heart of their enlightened beliefs and rigorous practices, delivering the most probing picture yet of these holy warriors. [The Knights Templar of the Middle East](#) Aug 02 2022 For the first time ever, a source from within reveals the shocking truth that the roots of the Knights Templar, and thus those of Freemasonry, were actually more deeply linked to Islam than to Christianity. The Knights Templar of the Middle East breaks new ground in this

well-tilled sphere and is guaranteed to stir more fires of controversy than any other book to date on Freemasonry and Templars. Prince Michael writes with sterling scholarship, making full use of his access to libraries of the secret orders of which he is a member. The book delves deep to examine the true roots of this worldwide society, revealing both historical events from Europe to the Middle East and the author's own deeply personal, perilous journey to research and expose this hidden history. Going against the accepted history of the Freemason society as evolved from a remnant of Knights Templar who settled in

Scotland, The Knights Templar of the Middle East takes readers much farther back to the true historical biblical land, based in Western Arabia rather than Palestine. The true secret of the Inner Circle of the Order of the Templars was such that, had they revealed it, the knowledge would have rocked the cradle of Christian and Judaic beliefs.

*The History of the Knights Templars, the Temple Church, and the Temple* Mar 05 2020  
[The Templar Legacy](#) May 07 2020  
The ancient order of the Knights Templar possessed untold wealth and absolute power over kings and popes . . . until the Inquisition, when they were wiped from the face of

the earth, their hidden riches lost. But now two forces vying for the treasure have learned that it is not at all what they thought it was—and its true nature could change the modern world. Cotton Malone, one-time top operative for the U.S. Justice Department, is enjoying his quiet new life as an antiquarian book dealer in Copenhagen when an unexpected call to action reawakens his hair-trigger instincts—and plunges him back into the cloak-and-dagger world he thought he'd left behind. It begins with a violent robbery attempt on Cotton's former supervisor, Stephanie Nelle, who's far from home on a mission that has nothing to

do with national security. Armed with vital clues to a series of centuries-old puzzles scattered across Europe, she means to crack a mystery that has tantalized scholars and fortune-hunters through the ages by finding the legendary cache of wealth and forbidden knowledge thought to have been lost forever when the order of the Knights Templar was exterminated in the fourteenth century. But she's not alone. Competing for the historic prize- and desperate for the crucial information Stephanie possesses-is Raymond de Roquefort, a shadowy zealot with an army of assassins at his command. Welcome or not, Cotton seeks

to even the odds in the perilous race. But the more he learns about the ancient conspiracy surrounding the Knights Templar, the more he realizes that even more than lives are at stake. At the end of a lethal game of conquest, rife with intrigue, treachery, and craven lust for power, lies a shattering discovery that could rock the civilized world-and, in the wrong hands, bring it to its knees. BONUS: This edition contains an excerpt from Steve Berry's *The King's Deception* and a Cotton Malone dossier. [The Last Refuge of the Knights Templar](#) Dec 02 2019 A modern-day thriller centered on authentic historical letters encoded with Templar and

Rosicrucian secrets • Includes the actual text of recently discovered correspondence between two famous 19th-century Masonic leaders, Albert Pike and Colonel J. W. B. MacLeod Moore • Follows the protagonists, Thomas and Janet, as they seek to protect the Pike letters' secret from the Vatican and its fanatical Jesuit hitman as well as others who desire to use the letters' secret for world domination • Also includes a short biography of controversial Masonic icon Albert Pike Centered on recently discovered, authenticated correspondence between two famous 19th-century Masonic leaders, Confederate General Albert

Pike and British Colonel James Wilson Bury MacLeod Moore, this modern-day thriller follows Thomas, a direct descendant of Col. Moore, and Janet Rose, a direct descendant of the Merovingian Kings and House of David, as they risk their lives to protect the letters and the Templar and Rosicrucian secrets encoded within them. As Thomas and Janet discover, everyone--from the Church to the White House to Confederate sympathizers and the KKK--seeks the ancient knowledge contained within the letters, knowledge that would allow a singular entity to control the world and bring all of the great religions to their knees. Pitted against a

psychotic and sexually perverted Jesuit priest, tasked by the Vatican's inner circle to retrieve the Pike letters, the couple is aided by two Templar guardians and a modern-day practicing alchemist, Janet's grandfather. As Thomas and Janet's love for one another grows, the couple transcends to a higher level of understanding, unaware that they are following the same ancient morals and dogma found within the 33 degrees of Scottish Rite Freemasonry, as defined by none other than Albert Pike himself. Part fact, part fiction, the novel, with its 33 initiatory chapters, provides a rare glimpse into the inner circles of modern-day

Freemasonry, along with revelations of ancient alliances between Native Americans and the Templars. Set in Georgetown, in the heart of Washington, D.C., the story ends with a dramatic unveiling of the ultimate New World secret sought by so many factions: the location of the last Knights Templar refuge in the New World, where the lost treasure of the Templars, including sacred knowledge of the Holy Family--the descendants of Jesus and Mary Magdalene--remains to this day.

The Templars Sep 22 2021 A history of the powerful medieval military order, based on the author's discovery of the

long-lost Inquisition transcript of their trial, traces their rise and fall against centuries of war, religious fervor, and power struggles.

*First Templar Nation* Oct 12 2020 Overturns the long-established historical narrative about the origins and purpose of the Knights Templar • Explains how and why the Templars created Europe's first nation-state, Portugal, with one of their own as king • Reveals the Portuguese roots of key founding members, their relationship with the Order of Sion, the Templars' devotion to Mary Magdalene and John the Baptist, and the meaning and exact location of the Grail • Provides evidence of Templar

holy sites and hidden chambers throughout Portugal • Includes over 700 references, many from new and rare sources Conventional history claims that nine men formed a brotherhood called the Knights Templar in Jerusalem in 1118 to provide protection for pilgrims traveling to the Holy Land. Overturning this long-established historical narrative, Freddy Silva shows that the Order of the Temple existed a decade earlier on the opposite side of Europe, that the protection of pilgrims was entrusted to a separate organization, and that, in league with the Cistercian monks and the equally mysterious Order of Sion, the

Templars executed one of history's most daring and covert plans: the creation of Europe's first nation-state, Portugal, with one of their own as king. Including over 700 references, many from new and rare sources, Silva reveals Portugal, not Jerusalem, as the first Templar stronghold. He shows how there were eleven founding members and how the first king of Portugal, a secret Templar, was related to Bernard de Clairvaux, head of the Cistercians. The author explains the Templars' motivation to create a country far from the grasp of Rome, where they could conduct their living resurrection initiation-- whose candidates were

declared “risen from the dead”-  
-a secret for which the Church  
silenced millions and which the  
Templars protected to the  
death. Placing the intrepid  
Knights in a previously  
unknown time and place,  
Silva’s historical narrative  
reveals the Portuguese roots of  
key founding members, their  
relationship with the Order of  
Sion, the Templars’  
unshakeable devotion to Mary  
Magdalene and John the  
Baptist, and how they  
protected a holy bloodline in  
Portugal. He also provides  
evidence of secret Templar  
holy sites, initiation chambers,  
and hidden passageways  
throughout Portugal, often  
coinciding with pagan and

Neolithic temples, and explains  
how their most important site  
forms a perfect triangle with  
the Abbey of Mont Sion in  
Jerusalem and the Osirion  
temple in Egypt. The author  
also reappraises the meaning  
of the Grail and reveals its  
exact location, hidden in plain  
sight to this very day.

#### Secrets of the Knights Templar

Nov 05 2022 The Knights  
Templar are one of the most  
secretive and powerful  
religious orders in history: for  
over two centuries they were  
the elite fighting force of the  
Crusades. Highly trained, and  
adhering to a strict chivalric  
code, their success on the  
battlefield brought them both  
wealth and political influence.

But it is the legends and  
secrecy surrounding the order  
and its Grand Masters that  
continue to fascinate historians  
and general readers alike.  
Secrets of the Knights Templar  
examines each of these  
mysteries in turn to reveal the  
truth about the Knights' secret  
practices, rituals and codes, as  
well as the continued influence  
of the Templars today. From  
the true location of the Holy  
Grail to the Templars'  
involvement in the Battle of  
Bannockburn, and from the  
sudden downfall of the order to  
modern-day claims of descent -  
S. J. Hodge uncovers the  
hidden links behind the stories  
and separates historical fact  
from fiction.

**The Knights Templar** Oct 04 2022 Full of incredible turns of events including secrets, deceits, lies and betrayals, the history of the Knights Templar from their triumphant conquests to their abrupt fall still fascinates. Find out the hidden history of the Knights Templar that really lead to their demise. The Knights Templar existed officially for less than 200 years. Founded to protect pilgrims who were travelling through the Holy Lands, their rise to power was sudden. They became some of the most feared warriors in the region, they had a mandate from God, they controlled perhaps the world's first real banking system, and they

waged war against anyone who tried to wrestle Christianity's holiest grounds from the control of the Catholic Church. Within their short lifespan, they quickly became one of the most powerful societies in Europe, if not the world. But, just as they rose to power with relative speed, they fell from grace just as fast. Forged in the crucible of Middle Eastern conflict, their power was soon resented and feared. Before they could become even more powerful, the greatest nations in Europe and the Church turned on them. The once powerful Templars were hunted, caught, tortured, and eventually burned at the stake. According to their prosecutors, they were

a devil-worshipping secret society who spat on the cross and plotted against the Pope. They were officially disbanded and their members treated with extreme contempt and prejudice. Or so goes the official story. In this book, we will not only look into the official history of the Knights Templar, but will examine the various ways their influence and ideas have tunneled their way into the modern world. A group this powerful does not vanish overnight. Instead, their history has been linked to the Freemasons, to vicious curses, to the butchery of the Crusades, and even to Christian relics such as the Holy Grail. For many people,

the Templars did not vanish and they did not relinquish their tight grip on the power structures of mediaeval Europe. Instead, they went underground. Read on to discover the dark and twisted secret history of the Knights Templar. Scroll back up and grab your copy today!

*The Templars' Secret Island*  
Sep 10 2020 Does the remote Baltic island of Bornholm hold the key to an ancient secret? A secret that links it to the enigmatic village of Rennes-le-Chateau in the French Pyrennes and the tunnels beneath Mount Sion in Jerusalem? What is its connection with the Templar Knights, and what were they

trying to hide on such a distant isle?THE TEMPLARS' SECRET ISLAND is a journey of awe-inspiring breadth and complexity, a journey that spans Europe and reaches into ancient Palestine, that first takes us thousands of years into the past and then back to our own time. It is a journey that casts new light on some of the most important enigmas of modern science.

### **Knights Templar**

**Encyclopedia** Apr 05 2020 Historian Ralls has written an authoritative source book on the fascinating history behind the most famous military religious order of the Crusades- the Knights Templar. This encyclopedia also includes a

wealth of information on the key Templar people, places, events, and more.

[The Lost Colony of the Templars](#) Sep 30 2019 Reveals the existence of a Templar colony in the New World and how the explorer Verrazano, also a member of a secret society, attempted to reestablish contact with it • Explores Columbus's connection to Henry Sinclair's maps of the New World • Examines the secret alliance of Catholic Sulpicians and French Huguenots to preserve the Templar legacy • Reveals the hidden knowledge preserved in the Templar baptisteries found throughout Europe and in Newport, Rhode Island In 1524

the Italian explorer Giovanni da Verrazano was sent by the French king Francis I on an expedition ostensibly to find a shorter route to China. However, his true mission, Steven Sora suggests, was to contact a Templar colony that might have been established in Newport, Rhode Island, by Henry Sinclair at the end of the 14th century. In his expedition log Verrazano recorded that his only stay on this journey was at Newport Harbor, the site of a tower built to the exact measurements of a Templar baptistery, a sacred sanctuary representing baptism and eternal life. This tower is a remnant of Sinclair's voyage to America nearly a century

before that of Columbus (who had access to Sinclair's maps thanks to his wife, who was Sinclair's great-granddaughter). While Verrazano's mission succeeded in finding the tower, the colony itself eluded him. His backers then decided to resurrect the dream of Acadia--a place where they could aspire to higher knowledge without fear of Church or state--by creating a new Secret Society that included Huguenots and Catholic Sulpicians. This Company of the Holy Sacrament would lay the foundations for Montreal in an attempt to realize the ambitions of Sinclair and his Templar companions, as well as

to stave off efforts by the Jesuits to transform Quebec into a fiefdom of the orthodox Church. Quebec's motto, "Je me souviens" (I remember), is a reference to this secret history.

### **The Templars and the**

**Assassins** Jun 27 2019 • An examination of the interactions of the Christian Knights Templar and their Muslim counterparts, the Assassins, and of the profound changes in Western society that resulted. • Restores the reputation of the secret Muslim order of the Assassins, disparaged as the world's first terrorist group. • Dispels many myths about the Knights Templar and provides the most incisive portrait of them to date. A thousand years

ago Christian battled Muslim for possession of a strip of land upon which both their religions were founded. These Crusades changed the course of Western history, but less known is the fact that they also were the meeting ground for two legendary secret societies: The Knights Templar and their Muslim counterparts, the Assassins. In *The Templars and the Assassins: The Militia of Heaven*, occult scholar and secret society member James Wasserman provides

compelling evidence that the interaction of the Knights Templar and the Assassins in the Holy Land transformed the Templars from the Pope's private army into a true occult society, from which they would sow the seeds of the Renaissance and the Western Mystery Tradition. Both orders were destroyed as heretical some seven hundred years ago, but Templar survivors are believed to have carried the secret teachings of the East

into an occult underground, from which sprang both Rosicrucianism and Masonry. Assassin survivors, known as Nizari Ismailis, flourish to this day under the spiritual leadership of the Aga Khan. Wasserman strips the myths from both groups and penetrates to the heart of their enlightened beliefs and rigorous practices, delivering the most probing picture yet of these holy warriors.
